Philada June 5th 1838

Dr Sir

Your favor of 30 ult. Post
mark Baltimore this date, was recd this evening
It will be necessary to have the Policy of
Insurance effected for acct of your Son
to have the priviledge Endorsed upon it
admitting the risk to terminate either
at New York or Philada — which will
be readily conceded by the Underwriters
without any additional Charge. If you
can find the policy & will send it to me
this matter shall receive my immediate
attention. I am obliged to leave
the City to-morrow morning, at a very early
hour, But expect to return again on Saturday
when I will apply at the office where your
Insurance is made, & ascertain its tenor,
and endeavour, in case you cannot find
the policy, nevertheless to secure the priviledge
of the voyage ending at New York or Philada.
I am in hopes of seeing the Ship
Back, in the Course of 15 or 20 days.

Very respecty
Your Obedient
Jno. McCrea.

Genl. Thomas Emory
