Millington June 28th 1838

Genl Thomas Emory

Respected friend

I have Just seen & conversed with E N Hamilton & J Carter Esqrs & they have given me the pleasing information of your being unaniniously appointed Prst of the E R Road a station which I am confidant you will give more general satisfaction in than any other that could have been selected I likewise understood that our friend Willmer has never met the Board as yet in the event of a vacancy in the Board on the part of the State if there is any advantage to be derived from the office in a pecuniary point as I am poor & have a considerable family looking up to me I should feel gratefull if it met the views of my friend to have the appointment of Director or of any other office under the Board such as procurer of timber for the work or any thing else so that I might be useful to my self & the company in any station I therefore solicit your attentions & aid in the matter & any thing that you may think fit to do for me in getting me some office or station on the work will be thankfully accepted there is several of the Board to whom I am known all on the part of the state except Genl Sewall & I am satisfied that any thing said by you would
