Battimore Srpte 5th 1822

Dear Sir

I called upon Hayne & Crozall

to know if they had disposed of your Tobacco

and to say to them, that you had informed me

you had instructed them to pay us the amount

of your account when sales were effected

They said ~~you had ... it~~ ~~to that effect, and ...~~ if the Tobacco

were sold you would not have any

surplus funds in their hands

We give you this early notice of

our enquiry in order that you may

make some other arrangement to pay

us as soon as possible

Very respectfully

Dixson & Kyle
