

6
United States in general, and in particular
as to the health, peace, and growing
prosperity of our own City.

As usual, the Register will lay before
you his annual accounts for investigation
which by reason of the extensive Appropri-
ation and payments for the last year
exhibit a balance in favor of the City, of
Seven hundred and Seventy four dollars, and
forty one cents only. Edward Johnson

Ordered that the above communication be
published for the information of the
Citizens.

A Message was received from the second
branch proposing to send the Mayor's
communication to a joint committee of
both branches, for the purpose of appor-
tioning to each branch the several subjects
embraced therein, & naming Mr Payson &
Mr White as such committee on their part
to which proposal the branch agreed &
appointed Messrs Carr, Hill & Snyder as
their committee & informed the second branch
thereof.

Mr Ross & Mr Tracy were appointed a committee
of elections.

Mr Neal & Mr Ross a committee of accounts
& the second branch informed thereof who
nominated Mr Miller as a committee on

their part.

7
A Message was sent to the second branch proposing
the appointment of a committee of enrollment
& stating the nomination of Messrs Wilson &
Mocher, on the part of this branch, in which
the second branch concurred & appointed Mr
Bohn a committee on their part.

On motion therefor, the branch adopted the
former rules, as the governing rules of order
for this branch.

The Joint committee appointed for that
purpose made the following report which
was read, concurred in, & the second branch
informed thereof who also concurred therein.
The Joint committee to whom is referred
the Mayor's communication for the purpose
of apportioning to the consideration of the
respective branches the several subjects,
recommended to the attention of the City
Council, be heard to report.

That the second take the consideration
of the Harbor and basin of Baltimore,
and also the subject of Bridges.

That the first have the consideration
of the limits of Jones' Falls.

The erecting of fire plugs & provision
for the fire companies. and

The subject of fetching for some
provisions.
