extension of Pratt Street, was read a second time
and concurred in & sent to the first branch —

The Committee to whom was referred the communi-
cation of the Mayor on the Subject of the further
extension of Pratt Street with the act of the
Legislature on said Subject passed at December
Session 1823. beg leave to Report. That they
have taken the Subject matter into their serious consideration
& are of opinion that the further opening of Pratt
Street between Frederick Street & Market Space
would be of public utility, but that the funds of
the Corporation at present are too limited to admit
of any public improvements to be made, therefore
your Committee are of the opinion, that it would be
unexpedient to approve of the said act of the Legislature
for the Opening of Pratt Street at present
