long and 10 feet high; same to be covered with corrugated iron and to be built under the supervision of the Inspector of Buildings and subject to the usual fees.

Approved March 25, 1903.

THOMAS G. HAYES, Mayor.

No. 43.

Resolution granting use of iceboat Latrobe to the Free Summer Excursion Society.

Resolved by the Mayor and City Council of Baltimore, That the Harbor Board is hereby authorized and directed to grant the use of the iceboat F. C. Latrobe to the Free Summer Excursion Society of Baltimore City for the season of 1903, the expenses of running the same to be taken out of the appropriation of the Harbor Board in the levy of 1903.

Approved March 25, 1903.

THOMAS G. HAYES, Mayor.

No. 44.

A resolution authorizing the Baltimore Sash and Door Company to erect a two-story frame structure as an extension to its present two-story frame structure at the northeast corner of West and Howard streets.

Resolved by the Mayor and City Council of Baltimore, That permission be and the same is hereby granted to the Baltimore Sash and Door Company to erect a two-story frame extension on the west end of its present two story frame structure, now located at the northeast corner of West and Howard streets. The said extension to be thirty-one feet long, twenty-three feet wide and twenty-three feet in height, and to be covered with a tin roof. The construction of the said extension to be done under the supervision of the Inspector of Buildings and subject to the payment of the usual fees.

Approved March 30, 1903.

THOMAS G. HAYES, Mayor.

No. 45.

Resolution granting permission to the American Union Box Company to erect frame shed on North Spring street.

Be it resolved by the Mayor and City Council of Baltimore, That permission be and the same is hereby granted to the American Union Box Company to erect a one-story frame structure on lot on East side of Spring street, between Madison street and Ashland avenue, to be used for the purpose of storing lumber and the manufacture of boxes. Said frame structure to be twenty-five (25) feet in width, by seventy (70) feet in length, and to be fourteen (14) feet in height; same to have a fire proof roof; also said frame structure to be constructed under the supervision of the Inspector of Buildings and subject to the usual fees.

The building on the north and east sides must not have any openings, and must be covered with corrugated iron, and the permission granted by this ordinance is to terminate fourteen (14) months after the date of approval of same.

Approved March 30, 1903.

THOMAS G. HAYES, Mayor.

No. 46.

Resolution to remove a drinking fountain.

Be it resolved by the Mayor and City Council of Baltimore, That the Chief Engineer of the Water Department be authorized and he is hereby directed to remove a drinking fountain situated on the north side of Philpot street, as described in Resolution No. 170 of the Mayor and City Council of 1877, said resolution being hereby repealed.

Approved April 9, 1903.

THOMAS G. HAYES, Mayor.
