

behind him some historical account of the family & I shall be particularly obliged to you for any information you can give me about it - as I am anxious to know all the different branches in this County - pray is not the Earl of Litchfield of our family? for ~~he~~ has the name, and I think bears the arms. Have we any relations in or near London, as I find there are many of our name? I shall be glad to hear of your brother's recovery & if he comes to London on his return I shall be happy to see him on Great Tower Hill, where I will hope for the honor of a visit from you - when you come to Town, & I shall with much pleasure render you any services ~~that~~ ^{that} are in my power - yrs. &c
