Westm.d April 30.th 1787

Dear Sir

I wrote the 28.th Octo.r last requesting another Deed for Paradise and assigned my reasons for the request and also inclosed some necessary Papers which Letter I fear has failed as I have not heard from you since - will be unless you recollect to attend to particulars as in case my Letter failed there will be an necessity for getting other Copies of the Papers I inclosed before a Deed can be properly drawn - you will much oblige me Sir by letting me know as soon as possible whether you rec.d that Letter - if you have I doubt not you will forward a Deed the first opportunity. My respectful Compliments to Mrs Lee & Family

I am Dear Sir your most obed.t Servant
