Therefore that I will bear her harmless in
a Trespass suit brot. agt. her by Berry upon
cutting wood wh. I have no doubt belongs to the
estate, but for wh. she is excluded by her
own act. My tenancy is out for 25 or 26
years. There may be assumed as 200 or 250
acres belonging to the Estate so situated of
wood, and as much of cleared land.
Do you think if I can see my way clear, it
will be worth while to take possession of it
as probably an ejectment suit would be necessary
I shall leave Lowe tomorrow for Washington
and shall probably visit Millwood before I
return — therefore direct to me at that place

Mrs Magruder has probably applied for a
commission & filed Interrogatories ere this —
I am glad to hear you are well — I will go
from Millwood by Rattlesnake to Clover Hill,
if you can be in that quarter will be glad
to see you —

Very affectionately
Yours
Arch.d Lee
