Respected Friend

I regretted very much, not being able to see you, when last you visited Mary — as I had a favor to ask — which I am now about to name —

Mr. Patrick Scott will soon present a petition to the Legislature for us, in relation to our property of Mt. Hope — Baltimore — I rec^d a letter some days ago, from Rev. Mr. Elder, explaining the whole matter, which I have this day enclosed to our friend, Gen^l Coale — requesting him to show it to you —

May we solicit you to interest yourself & use your influence, in our behalf? I feel sure you will, & have therefore asked with confidence —

Our dear Mary is quite well — and all that we desire to see her —

I remain with sincere regard yr. friend
