Dry, Scaly Skin Apt To Darken Fastest

Q.—Dear Mabel: Can you recommend something to help dry skin? Mine is so dry it feels rough and stiff and looks scaly. Please rush your advice . . . Mrs. A.J.S.

A.—Many of us are troubled with dry skin, especially people of light coloring. The first step is to use as little soap and water as possible. Next is to give your skin rich creaming. You can do this and keep it bright and fresh at the same time by using the enriched formula NADINOLA Bleaching Cream. It comes in the black carton and 4oz. jar. You get cosmetic oils in this NADINOLA formula and you get gentle bleaching too. Use NADINOLA twice daily and in a little while you'll be thrilled with results. Get the 69¢ or $1.25 size and apply morning and evening. I like to tell friends that NADINOLA is the first cream of its kind and the finest — Mabel Collins . . . NADINOLA, Paris, Tennessee.

Guests from 15 cities attend Dr. and Mrs. Wheeden's party

With Lula Jones Garrett

When Polly Wheeden (of Lynchburg, Va.) said "Come to dinner, Saturday" . . . what with the convention being next door, and next on calendar, I was all set for a little Delta boule.

(Polly, you know, is an upper echelon Delta and one often talked of as presidential timber.)

But her party at their Parole, Md. summer home (a sort of annual affair) was a perfectly delightful ome.t of Deltas, AKAs and Links . . . to say nothing of their masculine contingent. (Polly is also national president of Links), who came from some 15 cities for the affair.

She and Dr. (H. P.) Wheeden set up a bar on their rear lawn. Added a huge table bearing a fruit bar (in the event guests were too chicken to bear down on those calorie laden hors d'oeuvres) and at six-thirty shepherded guests to a buffet for loaded plates of chicken salad, baked ham, stuffed shrimp, etc. Added molded shepherd guests to a buffet for ices, home-made cake.

They had enough guests with varied interests to keep conversation sparkling:

Dr. Helen Edmonds, up from North Carolina State College, Durham, her joviality at its usual pitch, despite being constantly asked why she turned down the UN post that went to Marian Anderson (but how long can a professor remain off campus? She had been in Europe all of those months . . . then on that politician jaunt) Sadie George from Cleveland (also a civic and political bigwig in her section), Dr. E. Franklin Frazier (Author, "Back Bourgeoise" of Washington.

Or if you were giving your brain an evening off: such eye-fillers as Audrey Butler, in an electric blue frock, a sweater of the same color with dyed fox collar, also in the same shade, and her hair blued to match the ensemble; and Gladys Shepard, just in from Mexico (and points West and South) with a new cut to her platinum hair; or Lillian Barry in gold linen, the sheathed simplicity of its cut being its most telling attraction.

Mrs. Martin D. Jenkins and her house guest, Mrs. Lewis H. Anderson of Terre Haute, Ind. (Dr. Jenkins and Dr. Anderson were off a - fishing) Drs. and Mesdames George Spaulding, Douglas Shepherd, Parlett Moore, George McDonald, W. Leroy Berry, Theodore Phifer;

The Talmadge Hills, the Hiram Butlers, the Charles Fletchers, the Mark Pattersons, Mrs. Chandler Wynn, and her house guest, Mrs. Annie Peidgin, N.C. school supervisor, (just in from Europe), fr o m Baltimore;

Ethel Payne of Chicago and Washington, Armazen Flagg, Herry Edmonds, (brother of Helen), Dr. and Mrs. Clarence Holmes of Denver, Col., Dr. and Mrs. C. Wardell Freeman and George Freeman of Cincinnati, Ohio, Mr. and Mrs. George Johnson, Dr. and Mrs. Franklin Frazier, the Warner Lewsons, all of Washington;

Esther Wilson of Boston, Mass.; Julia Delaney of Raleigh, N.C.; the Clayborne Georges of Cleveland, Dr. and Mrs. Ralph Boulware of Lynchburg;

The Frank Butlers, Douglas Kings, Carol Hynsons, Drs. and Mesdames T. H. Johnson and Avis Allens of Annapolis, the James Reids of New York, the Robert Stewarts, Dr. and Mrs. G. M. LaMarr Harrison, of Langston, Okla.; Thelma Scott of Chicago; and Joseph Walker, and Ethel Merriman of Lynchburg.

WHEN THEIR COUSIN, Valerie Grant, of Pasadena, Calif. breezed into town for a short visit, Jerilyn and Jan Murray (Clifton and Ethel Murray's teen-agers) made hurry-up calls to a group of their friends and had a record hop.

They held forth at the home of their grandparents, Dr. and Mrs. George C. Grant, on Wednesday night, and the kids compared the latest dance steps from coast to coast.

Very popular during the evening was a "do-it-yourself" sandwich bar. Everyone fell in love with Valerie, who is a real doll.

About were Ellin and Pamela Grant, also cousins of Valerie; Elise and Laura Judge, Patricia and Thaddeus Logan, Ann and Jimmy Dashield, Barbara Prestwidge.

Also April Henson, Barbara Lewis, Andrea Pair, Michael Press, Paul Williams and Michael Edwards.

On Thursday, Barbara Lewis, daughter of Mr. and Mrs. James R. Lewis, entertained in the Ranch Room for Valerie and her cousins, Ellin and Pamela Grant and Jerilyn Murray.

Valerie is on a long-promised cross-country jaunt with her father, Brockwood Grant of Pasadena, to visit Eastern relatives, many of whom she has never met.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H.® Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug counters. Satisfaction guaranteed or money refunded.
