Town women off to good start on programs to enliven winter

With Lula Jones Garrett

All play and no work doesn't have to make Jills dull gals, as could plainly be seen during the week as vacationers took fall programs by the horns and steered towards lush winter doings.

A record-breaking eighty-odd Alpha Kappa Alpha women were on hand for their opening session, Saturday night, to greet a new basileus, Vernice Reynolds, and to get going on a whole raft of plans from scholarship fund raising . . . to soiree to a dance.

Mrs. Vivian Cook called in the executive committee of the Co-operative Women's Civic League to get that organization a-going with its first project . . . the Flower Show.

Really extravagant plans are in the nonce, this year, under the chairmanship of Mrs Bernard Harris Sr. The show has been set for October 12.

And Mrs. Harris has rounded up a lot of success "insurance" for her project including a committee of Constantia Jackson, Pauline Watts, Blanche Tyler, Ruth Burgess, Bernice Buckner, Jane Wilson, Rosa Jackson, Mrs. Franklin DeShields, Mrs. Emerson Brown, Theresa Ebb, Edna Finney and Catherine Adams.

Mayme Tilghman is co-chairman with Mrs. Harris. Place will of course, be League House.

Mrs. Beryl William was in the chair at the initial meeting of the executive committee of the Maryland League of Women's Clubs on Wednesday night.

The committee's work covered a lot of ground, including setting up plans for the presidents' luncheon on Nov. 1 (this year they plan to do something special with the young group) and a supper meeting of the One-Day Conference committee on Nov. 19.

The Woman's Auxiliary of Crownsville State Hospital launches its 1959 membership drive this month.

The purpose of this drive is to get more volunteers to fill the urgent need of carrying on their many worthy services. The month of September has been set aside by the auxiliary to stimulate an active interest on the part of the public in their program.

In view of the growing needs in the area of mental health and the extensive program at Crownsville the auxiliary sends out an urgent call to all who are interested in helping those who can't help themselves.

Some of the areas where help is urgently needed are the Canteen which serves patients and employees daily, including Sunday, for 10 a.m. to 3 p.m., and the weekly Coffee Hour which serves the patients coffee, refreshments and also supplies entertainment.

All interested persons are urged to get in touch with the auxiliary by contacting Mrs. Roy Hamilton at MO. 4-5058 or Mrs. James LaForest, La. 3-3882.

The M. J. Naylor chapter, Morgan State College Alumni Association, has set a meeting for this Sunday (the 21st) at 6:30 to work out plans for a bridge tournament in November and a dance in January.

The meeting will be in Truth House on the campus. The chapter is headed by Dr. Nathaniel Proctor. Vice presidents are James Spencer and Haywood Harrison. Mrs. Doretha Mayo is secretary; Miss H. Lota Howard, financial secretary; Dr. Charles Hubbard, treasurer; Rufus Hackett, public relations chairman; and Edward Z. Watson will handle publicity.

The Women's Citizen's Committee for Verda Welcome will meet for a dinner meeting Saturday September 20 at 6 o'clock at the Me-Da-So Club.

New officers are:

Edythe P. Hill, chairman; Madie Mitchell, vice chairman; Nell Sheridan, secretary; Mr. Lafayette, assistant secretary; Ruth Clayton, corresponding secretary;

Mildred Quille, treasurer; Christine Anderson, business manager; Charlotte Dowsie, publicity; Estelle Simpson, chaplain.

Members include:

Alverta Bowie, Flozella Clark, Ethel P. Wilson, Jeanetta Holmes, Eliza Thornton, Fannie Hamilton, Reva Lewie, Jacqueline Owings, Myrtle Brown, Ella Mae Smith, Ethel Wimbish;

Louise Jackson, Maggie Lewis, Esther Parker, Anabel Jackson, Jackie Corbin, Margaret McCrae, Gwendolyn Walker, Maggie Flacks, Virgie Waters, Margaret Johnson, Emma Person, Elizabeth Boston;

POT POURRI: The Harry A. Coles who prchased a Benninghaus Rd. property is not Senator Cole. The only fact in the deal is that the name is the same. Senator Cole said this week that fartherest from his plans is a change of residence out of the Fourth District. But changing residences are Dr. and Mrs. H. Maceo Williams, whose new house is on Rosedale St., and Samuel Aulila to Glenmore Rd.

Second looking also brings out the fact that Mrs. Cornelia Phillips, retired R.N., was one of the first nurses employed by the City Health Department. 'Twas in Mrs. Phillips' home that the first meetings to plan the strategy was held. 'Twas there that coaching help came from the late Drs. William Carr, J. Edward Fisher and E. V. Stokes.

Dr. Jay McRae, now deceased, and Dr. James B. Hawkins were the first two physicians to be employed by the city. Dr. Hawkins still holds such a post. And along with the late Dr. B. M. Rhetta, Sr. in leading the fight for integration in the city nursing plan was the late Rev. Junius Gray.

HAPPIEST TWO bridge players in town this week are undoubtedly Bob Matthews and Paul Harris who won permanent possession, of a three-legged trophy at the regular Monday night duplicate bridge session of the Double Finesses.

Put into play July 1, the trophy had to be won three times before it was the winners to keep. Matthews - Harris annexed their third win last Monday, squeezing a one-point margin over the hotly-pursuing second-place team of Dolbert Harden-Harold Seaborne.

Interest was at a fever pitch since the Harden-Seaborne team also had won two legs on the trophy, as had Phyllis Murphy.

Others, with one-leg included Alfred Woolridge-Carter Wood, Grace Hall-Duke Venture, Shirley Brown, Clem Venture-Booker, and Dorothea Merchant.

The Double Finesses have gone big-time now, having received their charter and membership in A.B.A. (American Bridge Association). They can now qualify for national master points and play in sanctioned tournaments all over the country.

Tomorrow (Saturday) five teams from the local group will journey to Washington to play in an East-coast regional tourney.

At long last Baltimore is on the bridge map, and the plea is out for all interested bridge players (men or women) to come on out to the Kiecco Club Mondays at 8:15 p.m. for the regular duplicate session.

No time for party prattle, Sen. Cole tells audience

This is no time for party prattle, but the time to face and solve the problems of civil rights, State Senator Harry A. Cole declared, here, Sunday evening.

Speaking at a banquet honoring Magistrate Linwood G. Koger and Delegate Emory R. Cole, Mr. Cole said:

"We have a problem to solve and to do this we must send people to office whose first loyalty is to you, the people, not to political bosses.

"They must be persons dedicated to the proposition that there is not enough money to buy their souls, and who want to have the opportunity to serve.

"Any man or woman who runs for office must show us how he or she stands on civil rights."

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as: "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment form* called *Preparation H.*® Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug counters. Satisfaction guaranteed or money refunded.
