I can't say "no" to that SUNNY FLAVOR
One delicious taste, and you want more! That's what happens when you try pipin' hot corn bread, made from Quaker Corn Meal. You'll love that clean, sweet, sunny flavor. Your friends will admire that Quaker texture. Quaker Corn Meal makes bread that's *light*—and *smooth*, too!
You can *trust* Quaker Corn Meal. It's water-washed. Gallons of water pour over every grain 'til it's clean. It's spoil-proofed too. That means we remove most of those oils that give a bitter taste to ordinary corn meal.
Tonight, bake a pan of crisp, sunny-tasting Quaker cornbread.
You can taste the quality in Quaker Corn Meal and Quaker Grits

Cherry Cream Pie
"Husband-Tested"—Husband-Praised!
READ THESE ACTUAL COMPLIMENTS FROM HUSBANDS:
"Make two next time" "Let's have it again—soon!" "Got another piece?" "Double OK!" "Swell!" "Super!" "My kind of pie"
Your husband will say it in his own words—but they'll mean the same: "This is good!" Just be sure, when you make this Cherry Cream Pie, that the milk you use is Pet Evaporated Milk—and you'll have the same perfect results reported by wives, from coast-to-coast, who tested this recipe in their own kitchens. It's the richness of Pet Milk that makes the cream filling so wonderfully smooth and rich and delicious, and blends the flavors of custard-and-fruit so perfectly. It's Pet Milk, too, that cuts the cost of the pie—because Pet Milk, good whole milk concentrated to double richness, costs less generally than any other form of milk.

SO EASY—YOU CAN MAKE IT OFTEN!
CHERRY CREAM PIE
Put into saucepan....1 package vanilla PUDDING POWDER, ¼ cup SUGAR
Stir in mixture of....2 slightly beaten EGG YOLKS, ¾ cup PET MILK, ¾ cup WATER
Bring to a boil over low heat, stirring constantly. Cook and stir 30 seconds.
Stir in....1½ teaspoons VANILLA
Cover and cool thoroughly.
Drain well....No. 2 can sour, pitted CHERRIES
Spread half of cooled custard in bottom of cold baked 9-inch pastry shell. Cover with drained cherries. Top with rest of custard.
Beat until stiff....2 EGG WHITES
Beat in slowly....¼ cup SUGAR
Arrange on custard, spreading to the edge of crust to seal in the filling. Bake in slow oven (325° F.) 15 min., or until light brown. Cool thoroughly before cutting with a wet knife.
NOTE: Some of the cherries can be saved to garnish top of pie.

I cut my milk bill by cooking with Carnation!
I use it for whipped toppings ...to save on cream!
"No other form of milk has so many uses!"
says FREDA C. DE KNIGHT, Food Editor of Ebony, and author of "A Date With a Dish"
Carnation Evaporated Milk is *double-rich* in whole milk food values—has the consistency of *cream*. Yet nothing is removed but water—nothing is added except Vitamin D.
1. USE IT LIKE CREAM — in coffee, on cereals, for whipped toppings and most cream recipes. *Undiluted*, Carnation is so rich and thick you can whip it!
2. FOR ALL MILK PURPOSES—just restore *part* of the water removed by evaporation. Diluted 50-50, Carnation exceeds all U.S. state standards for Grade A milk—*costs far less!*
