Ask your Doctor about Carnation's extra advantages!

The doctor knows best! And 8 out of 10 mothers who use Carnation Evaporated Milk for infant feeding say, "My doctor recommended it." For Carnation has important advantages over ordinary milk:

1. EASIER TO DIGEST. Carnation is heat-refined, homogenized and completely uniform.
2. DOUBLY SAFE. Carnation is not only pasteurized, but also, scientifically sterilized after it's sealed in the can.
3. VITAMIN ENRICHED. Every pint contains 400 units of Vitamin D—the "sunshine" vitamin that helps build strong bones and sound teeth.

Your baby deserves these extra benefits. So ask your doctor about Carnation—the milk every doctor knows!

Model Prefers HENDIN'S

MRS. NICKI RANDOLPH

It has been only three years since Nicki came to Baltimore as the bride of Mr. Lloyal Randolph, prominent local Democratic leader and business man.

Yet in this short time, Mrs. Randolph has firmly established her position in society as a most gracious hostess and is known as one of the best dressed women in Baltimore.

Mrs. Randolph was formerly one of the original "Zanzi Beauts" of the famous Club Zanzibar in New York. In 1946, she toured Europe with Noble Sissle, internationally known band leader and now stage producer. Here in Baltimore, one of her favorite hobbies and diversions is to model clothes—and her services are always in demand.

"I love to model smart clothes," says Mrs. Randolph—"and I particularly love to model clothes from HENDIN's. I don't know of another shop in Baltimore that has such outstandingly smart styles as HENDIN's—in fact, I wear them myself."

Mrs. Randolph's home is on Windsor Avenue and her greatest interest is caring for her little daughter, Bonnie.

YESTERDAY - TODAY - TOMORROW

YESTERDAY — Life Insurance was but a Dream — The dream of Heman Perry, Frank Gillespie, Harry Pace and countless others who envisioned organizations of security and assurance.

TODAY — Life Insurance is a Reality — Not less than 50 strong companies of our racial group, with no less than 150 million dollars in liquid assets, and more than 1 billion dollars of insurance in force. Supreme Liberty ranks with the top three in this group.

TOMORROW — A Life Insurance Prophecy—There should be a proportionate increase in the number of companies — a trebling of the assets and a quadrupling of business in force — and Supreme Liberty will hold its own. Life Insurance is on the March!
