Veterans and Others

Become A Home Owner And Landlord

Through March 8, 1955, the Public Housing Administration will accept offers to purchase homes in the Ernest Lyons Project at Turners Station, Baltimore County, Maryland, from qualified veterans and non-veterans who do not live on the project. There are approximately 16 substantial brick housing buildings left. Each of these buildings contains two homes, of one or two bedrooms size. They are one story and are equipped with gas cooking ranges and hot water heaters and coal forced-air furnaces.

A veteran will have preference over a non-veteran until March 8, 1955. Veterans offering to purchase will have their choice of available buildings on a "first come, first served" basis. After March 8, 1955, buildings will be assigned to non-veterans on the basis of their time of offer.

All buildings are offered at fixed prices, and terms of 5% downpayment, with the balance payable in monthly installments over 20 years with interest @ 5% per anum are offered by the Public Housing Administration. A good faith deposit of $100 in form of cashiers, bank or certified check or money order is required paid at time an offer to purchase is made. This deposit will be applied as part of required downpayment. A typical building containing TWO HOMES, each with two bedrooms, living room, kitchen, bath and utility rooms is priced @ $11,307.00. The following are the ESTIMATED settlement costs:

	(Includes Installation of water and electrical meters)
5% Downpayment	$607.00
*Insurance — 3 year policy	80.25
**Tax adjustment 1955	125.00
Recording Deed and Mortgage	10.00
Credit Report	2.50
State and Federal tax stamps	25.30
TOTAL	$850.05

*To be furnished by purchasers.

**Assuming Deed is given to purchaser on March 1, 1955.

Interested persons can obtain more detailed information, forms for use in making an offer to purchase, etc. by calling AT. 4-0900, dropping into the Sales Office at 411 New Pittsburgh Avenue (on the project) or writing to:
