Sulfur-8 has revealed to millions

THE REAL SECRET OF GORGEOUS LONG HAIR

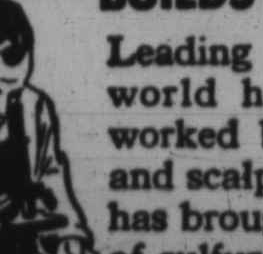
...growing out rich and healthy, silky smooth and lustrous

IT DEPENDS ON THE NATURE AND CONDITION OF THE SCALP

Yes, millions now know—thanks to Sulfur-8's actions and revelations—that you can have perfect hair only if your scalp is ready and able to make it so. All those people have been learning that when they seek better looking hair they must think about the condition of the scalp too.

They have also discovered the amazing facts about Sulfur-8 Hair and Scalp Conditioner and how it works to beautify the hair.

WONDER DRUG FORMULA BUILDS UP HAIR BEAUTY



Leading specialists all over the world have seen the wonders worked by sulfur for many hair and scalp conditions. Now science has brought out the very strength of sulfur in a special potent form which does things that ordinary sulfur never could do. This marvelous "super-sulfur" is the wonder drug featured in the great Sulfur-8 formula. Like a doctor's prescription for your hair and scalp, Sulfur-8 is a combination of important medically recognized ingredients.

Only Sulfur-8 has that sensational formula!

Of course, Sulfur-8 cannot give you a new scalp, nor make your hair grow or be longer than your scalp allows. But when used in time, that secret formula often works wonders on certain conditions that may be holding your hair back from looking and feeling its best.

WHAT A MARVELOUS DIFFERENCE when you give Sulfur-8 a chance to work

It's a wonderful feeling when you know that the beauty of your hair is winning admiring glances and compliments. Yes, you are sure of your charm when your hair is soft and radiant . . . looking so full and smooth and luxuriously long.

But your hair can't look right if certain conditions are wrong! So watch for the warning signs: Maybe your scalp itches or feels "tight" from dryness. Does your hair seem dull, dead-looking? Maybe the breaking off or frizzy split ends of your brittle-dry hair makes it look too short.

Hair Looks Healthier, Longer

When you use Sulfur-8 as directed, notice how that vitalizing massage action makes your scalp feel more alive and healthy, and how your hair begins to look longer, thicker and softer. Those ugly dandruff flakes just seem to disappear and your hair glows with new rich lustre.

Yes, something wonderful happens when you let Sulfur-8 go to work on your hair and scalp! But remember: Don't expect overnight miracles. Give Sulfur-8 a real chance to work, to really bring out that big, glorious improvement.

DOUBLE ACTION
Works Two Ways — On Hair and Scalp
1. BEAUTIFIES as it 2. BENEFITS

In the short time since Sulfur-8 was brought out, millions of jars have been sold! It stands to reason that all those people who keep on using Sulfur-8 have found that it really works. You may be missing something wonderful if you have never given Sulfur-8 a fair trial and seen for yourself what a big, wonderful difference it may make in your poor hair and scalp.
