Patterson risks ranking in bout with unknown

NEW YORK — Floyd Patterson, 4th ranking light-heavyweight, has finally been invited into accepting an opponent, sight unseen, in the person of Essau Ferdinand of San Francisco, the official light-heavyweight champion of California.

The scheduled 8-rounder will be televised Monday over the DuMont Television Network at approximately 10 p.m. (EST) The preliminaries will also be telecast commencing at 9 p.m.

—o o o—

FERDINAND is a crafty boxer and is managed by Dolph Thomas, the great handler of boxers on the Pacific Coast. Dolph is known in his home bailiwick as the Silver Fox and is well deserving of the special recognition.

Essau has a total ring record of 29-10-7 with 10 knockouts to his credit. The 24-year-old San Franciscan, who serves as a deacon in his church while not in training, has beaten such outstanding boxers as Charlie Green, Jess Fuentes, Art Soto, Joel Flores and Neil Rivers.

—o o o—

PATTERSON, WHO is but a tepping stone away from the number one position as the leading contender for Archie Moore's light heavyweight crown, accepted the Ferdinand assignment mostly due to lack of substantial opponents in his division. And, he also realizes he must keep active in order to maintain the commanding position he now holds.

Floyd's goal is another crack at Joey Maxim, who holds the lone verdict recorded against him.

Dr Buzzard says: A crank is usually one who is something of an expert on a subject in which you are not interested.

UNSUNG HERO—The unsung hero of the New York Giants' four straight World Series victory over the Cleveland Indians was Henry (Hank) Thompson, clever-fielding third baseman of the Polo Grounders. Here Hank makes a difficult and spectacular pickup of Bobby Avila's sharp grounder in the fourth inning of the second game. After hitting the dirt, Hank got up and threw to second to force Al Smith and check a would-be rally.

Gene says he'll make Tony 'eat words' Tuesday

WASHINGTON — Gene Smith, the District's hard-hitting featherweight contender, says he will drive Tony Longo's charges down his throat when he tangles with the tough Baltimore scrapper in a 10-round bout at Turner's Arena Tuesday night.

Longo has accused Smith of running out of a previously scheduled match with him and the charges have stung the highly rated Washington scrapper to the core.

"That guy sure talks a good fight," said Smith as he angrily snapped a punching bag off its moorings. "He'd better do some fast running Tuesday night because when I catch him he's going to eat those words."

—o o o—

LONGO AND SMITH had been set to meet last June but the day of the fight Smith withdrew, claiming he had an eye injury and that his personal physician had advised him not go through with the match.

The District Boxing Commission doctor ruled that Smith was okay and when Gene still refused to fight, the commission fined him $400 and suspended him from any local action until he went through with the Longo fight.

Longo has accused Smith of ducking him, however, and the Tuesday night bout, long awaited by the fans, now shapes up as a real grudge battle and one of the best featherweight scraps ever held locally.

Lincoln tops Central State

JEFFERSON CITY, Mo. — A rough tackling, hard charging Lincoln University team took the field against Central State and like the Tigers of the last two seasons roared their way to victory over a valiant eleven, 26-13.

A scanty crowd sitting through a cold drizzling rain rose to its feet early in the game as All-Americans Lee Lewis and James Ford, quarterbacks, rotated a one-two punch that carried Lincoln to three touchdowns in the first quarter.

Ford carried the ball over for the first touchdown from his own 6-yard line. Marion Smith made the conversion for Lincoln.

The second scoring came on a fumble by Lionel Reed of Central State Gerald Brown, Lincoln fullback, recovered the ball on the State 10-yard line. After running plays alternated by Lewis and Ford, Lewis slithered and zigzagged his way over for Lincoln's second touchdown. Smith converted.

—o o o—

LINCOLN SCORED for the third time in the first quarter, on a fumble by Central State after Smith, quarterback of Lincoln, had kicked out of bounds on the Central State three-yard line. Reed fumbled the ball on the next play and Eugene Hooks, Lincoln's center, recovered and scored the tally.

Lincoln's final score came in the fourth quarter, again on a series of plays highlighted by Lewis and Ford. Ford carried the ball over from his own 40-yard line on a sneak play right through the center of the line. Smith missed the conversion.

—o o o—

CENTRAL STATE'S first score came on a series of cooperative runs by Lionel Reed, left half; Herbert Drumon, fullback, and Edgar Phoenix. Phoenix carried the ball over his own left end for the touchdown in the second quarter. Drummond missed the conversion.

Central scored again in the fourth quarter on running plays sparked by Marvin Lythle, Ross Frazier and Frank Cooper. Cooper carried it over from the one-yard line for Central's second touchdown. Virgin Pleasant missed the conversion.

—o o o—

First Downs—Lincoln, 13; Central State, 8. Pass completions —Lincoln 9; Central State, 8, for 23 yards.

Yards lost on penalties—Central State, 35; Lincoln, 30.

Elizabeth City rips Savannah

ELIZABETH CITY, N.C. — Scoring 41 points in the first half, Elizabeth City State College swamped Savannah State College from Georgia, 65-6, for the first victory in two starts, Saturday.

The hard running of backs Bill Liggins, Paul Martin, Oscar Blakey, and Herbert Armstrong were the big difference. Blakey picked up 124 yards. Quarterback Cleveland Godfred and Bill Hodge aided the victory with their touchdown aerials.

Coach Bob White was well pleased with the performances of freshman backs Dick Branch from Lexington, Va.; Frank Williams, Elizabeth City, and Eugene Stallings, Wilmington, Del., and freshman linemen Dick Morgan, Washington, D.C.; Calvin Tyson, Wilson, N.C., and Simon Hemby, Greenville, N.C.

VETERAN LINEMEN who thwarted the Savannah backfield were tackles Al - EAIC John Cashwell from Covington, Va., and Johnny Harpe of Suffolk, Va.

The lone Savannah touchdown was scored on a pass covering 64 yards from Quarterback Bob Butler to left End James Collins, who raced up midfield from his own 37 to score. This was a non-conference game.

ELIZABETH CITY plays St. Paul Polytechnic Institute here on Saturday night, Oct. 9, at 7:30 in another non - conference game.

The first conference game for Elizabeth City will be against Livingstone College, here on Saturday night, Oct. 16.

Florida beats Benedict, 26-6

COLUMBIA, S.C.—Florida A. and M. defeated Benedict College, 26-6, here, Saturday night, scoring 13 points each in the first and third quarters.

Benedict's lone touchdown came in the second period when Lee DeBoard took a pass interception at the 20 and later went over for the TD.

The South Carolinians were three times within five yards of the Florida goal but thwarted on each occasion by a stalwart Florida defense.

FLORIDA scored as A. Frazier went 10 yards over tackle and Gallimore raced 60 yards from his own 40 in the opening quarter. L. Williams added the conversion.

Matson returns, Cards still lose

CHICAGO (ANP) — The much heralded return of Ollie Matson to the Chicago Cardinals, Sunday failed to change the football fortunes of the Big Red as the Cardinals lost to the Philadelphia Eagles, 35-16.

Matson, back in uniform after a two-year stint in the Army, played his usual sharp game, but showed that it tars more than one man to make a football team great.

—o o o—

THE CARDINALS got off to a running start, scoring their 16 points in the first quarter, before the hard-running Philly ends swept the field for a decisive victory.

Matson sparkled on defense. His adroitness in passing defending was persistently a thorn in the Eagles' side. However, he was not as sharp offensively as before he entered the service.

Some 17,084 spectators showed up to greet Matson on his return

Gavilan - Saxton

PHILADELPHIA

Boxing Promoter Herman Taylor announces that tickets for the World Welterweight Championship 15-round battle between title-holder Kid Gavilan, of Cuba, and challenger, Johnny Saxton of Brooklyn, scheduled to take place at Convention Hall, on Wednesday evening, October 20, went on sale this morning (Friday) at Tendler's Restaurant, 227 S. Broad Street; Gimbel Brothers.

Gavilan and Saxton were to have fought at Connie Mack Stadium September 2nr, but the champion was felled by a virus infection and mumps the night before, and had to postpone it until October 20.

Mouth protectors urged for high school gridders

Mandatory use of mouth protectors by all Essex County High school football players was urged this week by the Essex County Dental Society.

A letter from the Society's dental health committee to the county superintendent of schools advocated immediate steps to prevent "dental cripples" from football injuries.

—o o o—

IN HIS LETTER, Dr. Sol J. Kessler of Newark, chairman of the dental health committee, quoted data from a National Federation of High School Athletic Associations survey.

The data showed that in 1952-53 a total of 53.9 per cent of high school injuries were to the face and mouth.

—o o o—

DR. KESSLER also cited a report from the California Interscholastic Federation which showed that in 1952-53, a total of 234 high school football players of that state suffered dental injuries to one or more teeth.

"Many of these injuries could have been prevented by the use of proper mouth protectors," Dr. Kessler stated.

Urging immediate action, Dr. Kessler offered the services of the Essex County Dental Society in an advisory capacity to help in the selection of the most effective type of mouth protector.

Md. State - A and T clash rated top game of busy football weekend

By "THE HUDDLE"

An early season bowl tilt, the Fish bowl in Norfolk, Va., will provide the top game of the week this weekend on the college football front. In that meeting, mighty A and T will battle powerful Maryland State. Both powerful Maryland State. Both are seeking CIAA and national honors.

In their brief series, Maryland State has whipped the Aggies twice. This year, the Huddle believes that A and T will score its first victory over the Hawks.

—o o o—

ANOTHER BIG game will see Morris Brown invade the lair of Bethune - Cookman. Both teams are strong, but it appears that Morris Brown has a slight edge. Other leading teams facing strong challenges include Southern versus Paul Quinn, the Huddle takes Southern; Florida A. and M likely to repel Fort Valley State, and Kentucky State proving it belongs by taking care of a defeated Lincoln (Mo.) Tigers.

In tilts involving CIAA teams, likely results are Virginia State over Shaw, Virginia Union topping Howard, Hampton over Delaware State, Winston-Salem over Bluefield, a good Central State over West Virginia State, Lincoln (Pa.) over Lycoming in an interracial tilt, Johnson C. Smith topping St. Augustine's, and Elizabeth City over St. Paul's.

—o o o—

TWO FORMER powers, now also-rans, Grambling and Texas Southern will meet in a game favoring Texas Southern. Other ler Field, and Benedict should southwesterners battles will see Prai-whip Knoxville, South Carolina rie View at Jackson, Arkansas State should have no trouble with A and N rocking Wiley, Prairie Claflin and Morris should stop View ripping Jackson, and Lang- Fayetteville, Alabama A and M ston barely edging Texas college will defeat Fisk.

Harold Johnson faces test in Smith Friday

When Harold Johnson, Manayunk's entry for Archie Moore's pyrid lightheavyweight championship, enters the ring against Boardwalk Billy Smith, of Atlantic City, in the 10-round feature at the Arena, Friday, the local entry will have his back against the wall.

Harold, the number one challenger for the 175-pound crown, still believes he can dethrone Moore. Johnson, who is the last leather pusher to beat Moore, was a 14-round TKO victim of the titleholder the last time out.

—o o o—

"AND," HE SAID, "it occurred just when I had the title within my grasp. I floored him in the 10th round and was winning going away. I was coasting and then made the wrong move and Moore saved his title by taking advantage of the opening and let go."

Smith, is the fourth-rated 175-pounder. "And I will become the number one challenger after Friday," said the confident Boardwalk boxer-puncher.

"I flattened two powerhouse heavyweights in my last two fights — Gene Jones in three rounds at New York and Willie Bean at Atlantic City in five, and I intend to dispose of Johnson in order to make my demands for a title test all the firmer."

Ex-boxer given 18 months

Two months per stitch for nine stitches! That was the sentence an ex-prize fighter received in Northwestern Police Court Sunday for cutting his wife with a drinking glass.

Mrs. Alice Johnson of the 400 W. Biddle St., said she had to have nine stitches taken in her forehead at Provident Hospital after her husband, James, came at her with a glass and a smoking stand.

Ordered to pay $100 and costs, Johnson was given the 18 months jail term by Magistrate Everett Lane when he replied: "I can't make it."

Mrs. Johnson said her husband came home drunk Saturday and started throwing things;

Fish Bowl Classic date changed to Friday, Oct. 8

NORFOLK, Va. — The annual Shrine Fish Bowl Classic, featuring the A. and T. College Aggies and the Maryland State College Hawks will be played here on Friday night, Oct. 8, instead of Saturday, Oct. 9.

The date was advanced as a result of conflicting commitments in the use of Foreman Field where the game is to be staged.

SOPHOMORE SENSATION — Frank (Rabbit) Johnson halfback with A. and T. College Aggies is one of the fastest men on the squad and effective with his "outside" runs for long yardage. Johnson was converted from a quarterback and is from Greenville S. C.

Late finish wins Paoli shoot for Marv Bowers

PAOLI, Pa. — A strong late finish by Marvin Bowers, of Avondale, Pa., captured the second annual shoot of the Main Line Gun and Reagle Club held at the club grounds here last Sunday.

Bowers virtually came out of the clouds to win the 16-yard, 50-bird event in a hair-raising finish that nipped two other entrants who even as he checked in were preparing to shoot off a tie between them.

J. DeCecilio, of Baltimore, and E. Clapp, of Valley Forge, Pa., were locked in a 45-45 stalmate when Bowers settled matters by breaking 48 of his 50 targets.

A crowd of some 350 spectators were on hand for the event. Other shooters competing were:

S. R. Thomas, J. F. Wess, T. Graves, G. Werts, B. Jiles, J. Easton, L. McKissil, G. Jordan, Leslie Evans, Joseph Clark, Samuel Harmon, R. Boyer, Lyman Winfield, C. W. Howard, E. Johnson, Jane Harman;

O. B. Rainer, E. Tribbeth, R. Thurmond, E. Garrestson, O. Harmon, C. F. Griffin, R. Hughes, Roland Miller, Luther Crumpl, J. Seagers and B. Johnson.

Winners of prizes in the drawings were as follow:

Baltimoreans make big ocean haul

NEW JERSEY

Despite rough weather, a party of Baltimoreans, left Brielle, N.J., on the cruiser "Eleanor" last Thursday with Captain Maurice Stinson at the helm, and after traveling 40 miles out in the Atlantic Ocean, caught 54 bonitas, weighing 4½ to 7 pounds, one blue and one big mouth wa hass.

The party included, Revs. S. R. Bennett and Marion Bascom, Messrs. R. W. Carroll, Clifton Gross and John H. Murphy Jr.

Buddy Young returns to old haunts for Sunday's Colts-Bears battle

CHICAGO — Buddy (Eternally) Young will return to the scene of some of his most famous triumphs on Sunday when the resurgent Baltimore Colts face the much improved Chicago Bears here at Wrigley Field.

Less than a month ago Buddy ran wild at Comiskey Park when the Colts raced past the Chicago Cardinals.

And last year, when Baltimore beat the Bears twice, Young had two great days. His magnificent circus - catch of a Fred Enke aerial clinched the game for the Colts against Hales U. in 1955's Wrigley Field encounter.

—o o o—

YOUNG, NOW weighing less than 170 pounds for the first time since his All-America days at the University of Illinois, paced the Colts to a 4-1 record during the pre-season schedule and was Baltimore's big gun in last week's 20-14 win over the favored New York Giants.

Buddy leads the Colts in scoring and has snared five passes for 147 yards (an average of 29.4 per pass) thus far. Young has long been regarded as football's most dangerous runner and now, having suddenly become a fine receiver, is doubly troublesome.

QUARTERBACK Gary Kerkorian, having hit on 23 passes in 42 tries for 384 yards and three touchdowns, will be sorely missed by the Colts when they face the Bears. The former Stanford U. great suffered a painful rib injury against the Giants and will sit this one out.

Enke, the poised veteran of six NFL campaigns, will take over the passing chores for the Colts Rookie Cotton Davidson will also get his first shot at the quarterback slot should Enke get off to a slow start.

—o o o—

THE BEARS, on the basis of their fine showing against the Lions and their good win against Green Bay, will rate the favorites role against the Colts.

Baltimore was whitewashed by Los Angeles, 48-0, and had to stave off a late rally by the Giants to score an exciting 20-14 win last Sunday.

Classic teams display power

With Morgan State College and West Virginia State College having found the winning formula the 13th annual Capital Classic set for Saturday, October 23rd, now shapes up as a thriller twinkle between these two interstate rivals.

Morgan defeated the highly rated Morris Brown College, 20-12, while West Virginia downed Howard University, 13-0, in last Saturday's games. Both victors recorded some of the later power they have in achieving the victories.

All of this indicates that by the time the hot CIAA rivals answer the referee's whistle at Griffith Stadium, the Bears and Yellow Jackets will be ready for a real gridiron battle.

—o o o—

MEANWHILE, the Capital classic committee announced that the game will be dedicated to Benjamin (Benny) Washington, veteran teacher, athletic official and commissioner of football officials of the CIAA for 10 years.

Mr. Washington, a retired local teacher, has been identified with CIAA activities since the organization's founding in 1912.
