David Freland
DAVID FRELAND, this 5-11, 180 lb. quarterback from Frederick, Md., has the weight of the Bears future resting on his shoulders. Although these aren't the largest shoulders on the squad, his stout - heart is the one thing we are all counting on to carry us through to a successful season. He has come a very long way in a very short time. He is destined to be one of the Unsung Heroes on the team. As he goes, so go the Bears.
