Mayor, others hail Allen's candidacy

After Mayor D'Alesandre announced his support for Milton B. Allen for State's Attorney, Mr. Allen told AFRO:" I am extremely grateful for Mayor D'Alesandro's confidence in my ability to perform in this extremely important position in a way to contribute substantially to improvement of the administration of justice in Baltimore City."

The announcement came at this week's press conference in the mayor's office at which time Mr. D'Alesandro said:

"I am endorsing Milton Allen for State's Attorney, and I urge all voters to support him on election day.

"Mr. Allen won a hard-fought victory in the Primary election and, thereby, earned the right to represent the Democratic party on November 3rd. He deserves the support of all Democrats, and in view of his experience, the support of all other voters.

"Milton Allen has been a hard-working attorney for more than twenty years in the City of Baltimore, and can take pride in a fine record as a criminal defense attorney for the past seven years.

"Moreover, he is a leading authority on urgently-need reforms in the administration of criminal justice, having served as chairman of the City Bar Association's special study of administrative procedures in the City's Criminal Courts.

"This report has become recognized as the definitive study of the administration of criminal justice in Baltimore, covering every element of the system from Grand Jury presentments to case backlog, and is the major source of subsequent recommendations for changes in the Criminal Courts' administrative procedures.

"In short, Milton Allen is not only qualified to hold this critical position by virtue of his experience, adminsitrative competence and professional qualifications, but also by his sensitivity to today's unprecedented problems of law enforcement and the processing of criminal defendant.

"I believe he will bring a high-level leadership and understanding to the office of State's Attorney, and I give him my full support."

Mr. Allen said he "intends to completely justify the Mayor's faith in me."

In past weeks many persons and organizations have come inot the Allen camp, carrying his banner and insisting he is the best man for the job.

One of those persons who took the time to write a letter to Mr. Allen is William G. Hurdle who wrote:

"First I would like to congratulate you on your victory. I was really praying that you would win.

"I wanted you to win not because you were black and I am black but because you were the best qualified candidate running. This is the reason I voted for you.

"In terms of experience and know-how you were the best. In terms of how you were going to solve the problem, you were the only candidate that presented any type of program that was realistic.

"In closing we must not lose faith in our fellow man, they will, when given the opportunity, select the best man.

"Once again congratulations and I am sure you will do a good job with God's help."

Mr. Hurdle who Mr. Allen admits "is a perfect stranger to me" reflects the opinion of many others in the city who have thrown their support in the Allen Camp.

Among those are: Interdenominational Ministerial Alliance, East Baltimore Ministerial Alliance, United Christian Citizens, Inc., East Baltimore Democratic Organization, New Democratic Coalition, 2nd District.,

S.A.N.E., Americans for Democratic Action, Third District Citizens for Good Government, Stone Wall Democartic Clubs of Sixth District, Teamsters Joint Council AFL-CIO, Committee of Political Education-AFL CIO.,

Allen is $12,728 in red but he's hopeful for help

The financial report of Milton B. Allen, candidate for State's Attorney, shows a deficit of some $12,728, which represents the difference between Mr. Allen's campaign bank balance of approximately $489.00 and $13,217 in campaign bills owed as of October 26, 1970.

This financial report is a matter of public record, and the AFRO viewed Mr. Allen's pre-general election report in the office of the Board of Election Supervisors (Every candidate for public office has to file a "Report or Statement of Campaign and Election Contributions and Expenditures" seven days before each election and 30 days afterwards).

Larry S. Gibson, campaign manager for Mr. Allen, was asked to comment on this situation by the AFRO.

Mr. Gibson said that, "We've gotten even more bills since the report was filed. Our financial picture, as opposed to our political picture, looks kind of dark right now."

Mr. Gibson revealed there has been no financial support from the Democratic State Central Committee, although we're going to have city-wide political support from all Democratic groups."

David B. Allen, an assistant campaign manager and a member of the Democratic State Central Committee himself, told the AFRO: "The sale of tickets for the George Russell affair (Ed. note — a testimonial to be held for City Solicitor George L. Russell Jr. on December 3, 1970) has really hurt our own ticket sales.

"I can understand his supporters being enthusiastic about his probable candidacy for mayor, but they could have held off for another month, since their campaign doesnt really begin until early next summer."

The AFRO also talked to Mr. Allen's other two managers, Randall Carroll and Ray Harcum.

They observed that individual contributions were apparently exhausted in the difficult primary fights faced by most of the black candidates, Mr. Carroll added, "It's fortunate that debtor's prison has been outlawed."

Milton Allen was reached by the AFRO while on the campaign trail.

He told the AFRO: "Even though the campaign s broke, Iam conpaign is broke, I am confident that voters seeking meaningful justice is this City will deliver a resounding victory to me on Election Day.

"In the meantime, anyone who would like to contribute, please get in touch with me or Larry Gibson at my law office or Randy Carroll at headquarters.
