
NEW LOOK in Baltimore is personified in this AFRO Photo by J. D. Howard. It was taken at the corner of St. Mary's St., looking north on Druid Hill Ave. In the background, the city's tallest steeple, atop Bethel AME Church, and a 7 million dollar project designed to relieve overcrowding in the downtown Baltimore area and to provide modern facilities for the elderly.

Dr. Hunt honored by Md. PTA

The presentation was made at the State PTA annual Convention in Silver Spring at the opening session attended by nearly 1000 delegates from throughout the State.

Dr. Hunt was cited for her 20 years of work in Baltimore City schools, rising to the position of a principal of a model school involving the entire community in work.

Safety First for senior citizens

"Handle Yourself With Care," is a free of charge accident prevention course for older Americans, sponsored locally by the Baltimore Safety Council. Mrs. I. Harold Hammerman, is vice president of the home division.

The four hour certificate course covers accident prevention in the home, emphasizing falls and fires, and safety when walking and driving.

It was designed by the National Safety Council and the Commission on Aging of the U.S Department of Health, Education and Welfare in hopes of curtailing preventable accidents that injure millions and kill 30 thousand older Americans annually.

All senior citizen groups in the metropolitan area are invited to take advantage of this entertaining and educational program. Three organizations are scheduled to start their instruction this month.

The Safety Council will provide instructors or will train two instructors from the participating organization. All student materials and visual aids will be made available by the Council.

To enroll your club call the Safety Council at 467-6740 or write the Baltimore Safety Council, 2612 Maryland Ave., Baltimore, Maryland 21218.

NO WALK-IN

The Baltimore Area Office of the U.S. Civil Service Commission announced today that the walk-in examinations for the position of Substitute Clerk-Carrier (U.S. Post Office Department) will be suspended for the period of Wednesday, December 9, 1970, through Friday, December 25, 1970. Testing on a walk-in basis will resume on Wednesday, December 30, 1970.

City's CEP granted new $$ contract

The Department of Labor has awarded Baltimore a $3.3 million contract to continue the Concentrated Employment Program in the city's high unemployment areas through next year, Senator Charles McC. Mathias announced Thursday.

The program, called CEP, is operated by the Community Action Agency in cooperation with the Maryland State Employment Service, Baltimore Opportunities Industrialization Center, Baltimore Community College and the Kennedy Institute.

Some 2,250 workers will receive counseling and training under the program, while an additional 1,400 persons will be placed in jobs, Senator Mathias said.

He said CEP recently completed a $2.9 million contract and currently has some 800 persons enrolled in conseling, training, placement and related job seeking activities.

The Baltimore program is one of 80 such programs in the nation through which the government seeks the disadvantaged jobless in areas of high unemployment, trains and places them in jobs, Senator Mathias said.

New CAA office opens today

Ceremonies marking the opening of Baltimore's new Community Action Agency Center, 2000 Wilkens Ave at Payson St., are scheduled for today (Friday).

The formal program is to begin at 3:30 p.m., followed by ribbon cutting, a tour of the building and refreshments.
