Four Captains Find Campaign Worthwhile Community Effort

Tell interviewer about problems

By VERDA WILLIAMS
Clean Block Correspondent

The AFRO Clean Block Campaign is a very worthwhile project for the community.

That was the overall opinion of four Clean Block captains Friday when interviewed at their weekly pep rally in the Willard W. Allen Masonic Auditorium.

This young miss serves as leader of a group of 30 Clean Blockers which work from four to five hours a day beautifying their neighborhood.

After the campaign is over, Ridia does not plan for her group to disband. "We'll work all year round," she promises "we'll get together every day and keep it the way we always do.

"I think the Clean Block program is very nice. Maybe it will teach the litterbugs something." Here's hoping that she's right.

CHESTER COTTON, who is 12, has served as captain of the 1000 block Brantley Ave. for two years.

Chester, who attends School No. 176, was advised by his neighbors to participate in the Clean Block program and that's what I did," he said.

He related enthusiastically: "We sweep all the time. We put out flowers and we place fences around the trees. Last year we won a U.S. Savings Bond. We are after an Honor Flag this year.

Captain Cotton's greatest interest lies in playing basketball. He has his sights on being a doctor, adding, "Because doctors make plenty of money."

"Sometimes my friends won't help and sometimes they do. Our hope is that we can keep on cleaning after the drive is over," he said.

MALENE TYLER, who is a vivacious 11, along with 20 other young people is vigorously cleaning and painting up the 2800 block of Grogan Ave., with an eye on first prize in the campaign.

"We get up in the morning and sweep and scrub and we put out flowers and chairs," she explained.

Malene has registered in the Mr. and Miss Clean Block Contest and has taken 200 tickets. "I'll sell every one of them," she declared.

The contest is a money - raising project to help bolster the Clean Block Prize Fund.

Malene is a one-year veteran of the campaign. "My mother told me that it was good to be in the drive because it enabled us to keep our small block clean."

Captain Tyler enjoys playing baseball and dancing the hully - gully and the mashed potatoes, two of the favorite teen-age steps.

She has ambitions to be a public relations consultant when she reaches adulthood and would like to have the AFRO as a client.

"I think the Clean Block Program is very nice because it keeps some of the germs away," she said.

DONALD MURPHY, 16, who attends Dundalk Senior High School and lives in the unit block of Flemming Drive, Turners Station, is a five - year veteran of the Clean Block Campaign.

He has served as a co - captain and for the first time this year has been elected captain.

"We've been cleaning, painting and planting flowers and grass," he told this reporter, "Everyone's been taking care of their own yard.

"The planting of grass in our block has been especially good because many of the yards didn't have any before."

Ronald is interested in art and would like to teach it some day. He is active in the Greater St. John Baptist Church and works with the NAACP Youth Council.

"I think the Clean Block program is very worthwhile and everyone should be interested in it because it helps to improve the neighborhood," he said.

Prize Fund nears level of $600

With the addition of $5.00 from Dr. Lillie M. Jackson, president of the Baltimore Branch NAACP the Clean Block Prize Fund increased toward the $600 mark Thursday.

The total now stands at $591.00, a goal this year has been set at $2,500.

A renewed appeal to individuals and business establishments to help con-tribute in past years is being sent out by Clean Block officials.

Contributions are coming in more slowly this year than last, it was pointed out by Clean Block Director M. Francis Mackay.

UNLESS generous Baltimoreans come to the rescue with their dollars, youngsters busy keeping their neighborhoods clean will not get their just deserts, it was pointed out.

Many persons, who have received appeals to the rescue by mail from the Clean Block office, are asked to send in their donations without further delay.

With the increase in the number of blocks and participants, it becomes doubly important that sufficient funds are collected to provide the prizes that help serve as an incentive for children to work.

SPECIAL APPEALS have been mailed out to churches, clubs, paint and hardware companies, but thus far the response has not been encouraging.

The churches are where most of these youngster attend. The paint companies should be generous. The Clean Block Campaign does more to stimulate the purchase of paint during the summer than any other Baltimore movement.

This is also true of hardware supplies such as nails, tools, screen doors, and other fixture needed for home improvement.

Captains of ten more AFRO Clean Blocks is sent in the names of their co-captains and fellow Clean Blockers since Tuesday.

The list of names has raised the total number of Clean Blockers participating in the 28th annual Campaign to well above 8,000 mark, Clean Block Director M. Francis Mackay announced Thursday.

There are still a number of blocks registered which haven't yet submitted the complete list of their workers. Captains of these blocks were cautioned that unless these names are in the Clean Block office by July 27, they would be unable to obtain tickets for the big jamboree.
