DORIS B. ADAMS, author of "Longing and Other Poems," was in New York, a Wednesday ago, to appear on Alma John's show over WWRL Radio.

Mrs. Adams' appearance was a demand performance, after a Lambda Kappa Mu soror of the author, Vera Moore, had read some of the poems on a previous show of Mrs. Johns. Mrs. Adams shared the program with another writer of note, J. A. Rogers.

Sandwiched between the radio appearances, bookstore autographing and introduction parties were visits to the Village Vanguard, where she met the Billy Mitchel and Al Grey whose group recently won the 62 Downbeat award.

She was introduced to the patrons and met the fabulous Abbey Lincoln. From there to the Lime light and other places where NYU students, actors an aspiring or arrived writers congregate. An actor from "Raisin in The Sun" picked up the book and began to read. He held the group spellbound.

Among people met who bought the book and gave words of encouragement were Don Harewood, former AFRO reporter now a Pleis representative; Beulah Bryant, actress, who is readying for Langston Hughes recasting of his play "Tamberines of Glory," and Roosevelt Gordon, editor of On The Ball Magazine.

Since the New York venture Mrs. Adams has been to Wilmington, where she taped a show with John Lewis. This week she will appear on live shows in Wilmington, Philadelphia and New York.

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoidal tissues, relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months.

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment form* called *Preparation H®*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Bring the neighbors' bark to land exhorts Mrs. Lyndon Johnson to women of NACWC

By ROSEMARIE TYLER
WASHINGTON

In a convention that offered many awards to outstanding women, the award given to Mrs. Lyndon Johnson, wife of the Vice President of the U.S. by the National Association of Colored Women's Clubs aroused the most enthusiasm by the 800 women attending this 33rd biennal conference at the Sheraton Park Hotel.

Given a loving cup, the chic Mrs. Johnson was obviously delighted and with her pronounced Texas drawl, she said, "Oh this is such a sweet thing!"

Standing before the eager audience of women in a smart beige suit, featuring the boxy jacket silhouette, Mrs. Johnson had more than just "sweet" words for them:

• • •

"IT IS PRESUMPTIOUS for anyone to welcome this organization to Washington, the city where you were organized in 1896. . few can claim—as you—that you were born in the nation's capital and that (your) viewpoint, from birth was a national one.

"In these past 18 months, as Lyndon has taken on assignments to many parts of the world, I have become increasingly impressed with the role of women around this globe.

"Daily, I see the effort that organized women from Saigon to Punte del Este are trying to improve those thing we hold most dear: our home. . families. cleaning up the alleys and the city halls. . ."

She concluded her address with an exhortation:

"Our challenge is to seize the burdens of our generation and give them our best. It is the spirit of Galileo that we seek. I think of this familiar quotation:

'Who brings his neighbors' bark to land will find his own has reached the shore.'

"This is what we must be about."

• • •

OTHER AWARDS were presented on Sunday, the opening day of the convention to Mrs. Dean Rusk, wife of the Secretary of State; Mrs. Arthur Goldberg, wife of the Secretary of Labor and Mrs. Luther Hodges, wife of the Secretary of Commerce, and Mrs. Edith Green (D. Ore.).

Other awards went to wives of the diplomatic corps: Mrs. S. Edward Peal, wife of the Liberian envoy; Mrs. W. B. Kelfe-Caulker, wife of the Sierra Leone envoy, and Madame Ousmane Soce Diop, wife of the Ambassador of Senegal, Hiss Dinke, daughter of the Ethiopian Envoy and Mohammed Nassim Kochman, Charge d'Affair for Mauritania accepted the award for his wife who could not come.

• • •

OTHER AWARDS went to Mrs. Dolly L. Robinson, assistant director of the Women's Bureau of the Labor Department; Mrs. Vivian Carter-Mason, formerly with the Peace Corps; Dr. Grace Hewell, Program Coordinator of HEW; Mrs. Zelma George of Cleveland; Mrs. Margaret Price of the Democratic National Committee; Mrs. Clare Williams of the Republican National Committee; and Mrs. Katie Lockheim of the State Department.

• • •

RECIPIENTS OF awards for outstanding service were Mrs. James Robinson of Operations Crossroads; Dr. Anna Julian, Mrs. Mame Mason Higgins, Mrs. Vivian Carter Mason, Mrs. Inabel Lindsey, Mrs. Maxienne Dargans, Judge Juanita Kidd Stout, and Atty. Edith Sampson formerly with the UN.

A special award went to Mrs. Frederick Shuttlesworth and her two children, Patricia and Fredericka, for their courageous fight in Birmingham, Alabama.

Now living in Ohio, Mrs. Shuttlesworth commented that it is impossible for the Northern colored man to be free until his Southern brother is also free.

Alma John gets top NACWC award

One of the outstanding awardees of the National Association of Colored Women's Clubs was Alma V. John, who was dubbed the top conventionaire of the year.

It is no wonder that she has gained another trophy to her collection, for she is a woman of vast talents and many hats.

Receiving the award for her work as consultant for Personal Products, the makers of Modess, she could have received a trophy as an outstanding radio personality, an outstanding nurse or for just sheer and unique on the convention trail.

A well known figure in Washington, she was last in town representing the Tintex Company giving an award to Mrs. Lucenda Daniel for outstanding use of color.

• • •

JUST BEFORE coming here, she was in Philadelphia where she installed the new officers of the National Association of Fashion and Accessory Designers.

Prior to that, she was in Florida where she was guest of the Florida State Department of Health as a panelist and a consultant on health and hygiene. With her lecture she showed the famous picture produced by Personal Products called "Helen of Paris."

• • •

LEAVING Washington on Aug. 3, Mrs. John who resides in New York will head for the Beauty Culture League convention in Cleveland, Ohio. Next stop will be Cobo Hall in Detroit to meet the Elk women who will number over 1,500.

• • •

RETURNING TO New York City, Mrs. John will be caught up in the plans for the testimonial in her honor in September at the Waldorf-Astoria.

In the meantime, Mrs. John will be busy as Director of Women's Activities for WWRL.

Mrs. John is a member of the Alpha Kappa Alpha Sorority, the Eastern Star, the Daughter Elks, the American Women in Radio and Television and many others.
