PETERSBURG, Va. —Students at Virginia State College are among the 3,500 in 84 colleges and universities taking part in the Educational Testing Service's Cooperative Test Division project to re-design outmoded standardized mathematics tests.

Annapolis DOINGS

By ELOISE RICHARDSON

By ELOISE RICHARDSON

Mrs. Irene Chase Dutton, popular minister and schoolteacher of Philadelphia, will be the Woman's Day speaker on Sunday at the 11 a.m. and 8 p.m. services at First Baptist Church.

Art and Music Festival time at the Parole School is always Springtime for those who attend its annual Art Show and Spring Concert.

The 76 - voice children's chorus, as usual, gave an inspiring concert on Thursday evening. The repertoire was varied and featured a number of favorite compositions written by old masters.

It is amazing how these fourth, fifth and sixth grade pupils uttered such clear tones which stood out in an unuscal balanced three-part harmony. In fact they did two numbers in four - part harmony — and their diction was all but perfect. This showed up especially well in the pianissimo category and in their a cappella renditions.

Their interpretations of the varied collection of songs matched their ability to sing and there was very good breath control.

The two spirituals, "Down by the Riverside," arranged by Hawley Ades and the traditional "Ezekiel Saw the Wheel", were sung with a great fervor and warmth in a cappella style.

• • •

ALSO THE rendition of the a cappella number, "Bless the Lord, O My Soul" by Howorth, filled one with a feeling as though these children reached out to their audience and made it a part of their group.

Among other old and familiar numbers which thrilled the audience were Margaret Hurley's "Night Time" (which made one feel they were dreaming), "Green Cathedral by Hahn, "Wonderful Copenhagen" by Loesser - Sickles, "All in the Golden Afternoon" by Simeone (in four - part harmony), "The Story of the Creation" arranged by Murray (very dramatic), "choral nocturne" by Mendelssohn, "One Little Candle," arranged by Naylor, and "One God" arranged by Ringwald. The program was culminated by a stirring performance of the favorite "May the Good Lord Bless and Keep You."

Another very outstanding trait of the chorus was its stage manners. Everything was done uniformly and not once did the children take their eyes from their intructor while performing.

A surprise note in the program was the performance of Valerie Mills on the piano as assistant accompanist.

Valerie, the young daughter of Mr. and Mrs. Walter S. Mills (also a member of the chorus) showed great talent in instrumental music. In her playing she made it evident that she had conquered the rudiments of good technique as a pianist and she had excellent poise.

Valerie's mother is principal of the Ralph Bunche School and her father is principal of the Parole School. Her mother was her first piano teacher and she started studying when she was three years old.

• • •

MRS. IRENE RICHARDSON, music teacher at the Parole School, trained the lovely chorus. She is a music education major, having done her undergraduate work at Howard University. She is doing graduate work at Penn State.

The Art Show revealed a world of talent and high perfection. The walls of the auditorium and the foyer of the school were beautifully lined in such categories as blot painting, etchings, finger painting, cut paper and tempera painting, water colors, marble paintings, Mosaics, sponge and powder painting, crayon on tempera, crayon and sponge, pressed painting, chalk designs and chalk and water painting.

Figures were realistic in paper pottery, paper weaving, paper folding, bottles and paper. A number of puppets were made from paper bags and bottles.

There were also cardboard box and paper mache figures. Two very outstanding projects which were masterpieces done by groups of

The body of the statue was Liberty done by the special class under the direction of Mrs. Mary Queen and the Cole Brothers Circus, under Mrs. Ethel Thompson, teacher of the lower grades.

The body of the statue was made of cardboard boxes covered with paper mache. This was draped over with white sheeting which had been gilted in gold, along with the yarn hair and sceptre made of pipe stems, also gilted.

The circus setup included the big tent, the balloon booth and seller, the cotton candy booth and seller (candy made of cotton), the ticket booth and attendant, popcorn made of soap powder and the seller, the apparatus such as the merry - go - round, the trapeze and trampoline, the dancing girls, ringmaster, the acrobat and also the entrance gate.

(Continued from Page 32)

Yet — here this Councilman Dixon takes away the very political power his people here and elsewhere have been bitterly fighting for years.

• • •

THERE IS something wrong somewhere — and I strongly suspect it's with Councilman Dixon.

And that brings us up to that second situation he developed in the City Council this week — another thing to raise eyebrows.

He argued at length on behalf of a proposal to change from residential to commercial a tract of land in a respected Frederick Ave. area in the Fifth District — so a gas station could be erected there.

Yet in his own Fourth District which should be demanding his attention first — the Urban Renewal folks have numerous half - boarded up, half - demolished properties which are hazardous for nearby residents.

Multiple housing and zoning violations, which have already claimed lives near this councilman's own home, are still without his attention.

Yet, he cuts the colored vote in his district — and argues for a gas station in somebody else's district.

Ugh!

WHAT A DIFFERENCE A DECADE MAKES — Nobody would believe this scene a few years ago when the New York Giants and Brooklyn Dodgers were the most bitter rivals in baseball. It happened one recent May night when Willie Mays of the San Francisco Giants had a special night at New York's Polo Grounds and Jack Black, former Dodger pitcher and now special marketing representative of the Greyhound Corp. presented him with a suitably engraved watch.

Colts meet Chi Bears in pre-season twin bill

NEW YORK — A 35-game pre-season schedule, including two doubleheaders, has been completed by National Football League teams, Commissioner Pete Rozelle announced Thursday.

"The clubs have worked out one of the finest schedules in years," Rozelle said. "It certainly has the potential to match our record-breaking 1962 pre season attendance."

• • •

A YEAR ago, the NFL played before a record 1,070,725 fans in the pre-season.

In 1963, there will be two less dates (35 to 33) and one less game (36 to 35). The reduction in games is a result of St. Louis and Washington scheduling only four games each, and the further reduction in dates is because of the added doubleheader, in New Orleans on Sept. 7.

THE CLEVELAND Browns, who piineered the doubleheader in pro football before a crowd of 77,683 last August, will host two games again this year on Aug. 17. The parings are Detroit against New York and Baltimore vs. Cleveland.

Baltimore and Detroit will also play in the New Orleans doublehaader. The Colts meet Chicago, and the Lions play Dallas.

• • •

THE PRE-SEASON schedule opens Friday night, Aug 2, with the world champion Green Bay Packers meeting the College All-Stars at Chicago in the annual tribune victory. The Packers will be shooting for their 20th straight pre-season victory. The streak dates back to 1959.

The schedule will be completed on Sunday, Sept. 8 - one week before the opeing of the regular season —with the annual Hall of Fame game.

Roller Derby gets 1st coach

DETROIT — John Hall, former captain of the Texas Outlaws National Skating derby team, was signed to a one-year contract this week to coach the Detroit Devils.

Hall will replace Coach Roger Schroeder who resigned last week after a disagreement with the management over recent player trades.

The signing of Hall as coach of the Detroit team marks the first time in the history of major league banked track roller skating that a colored athlete has held a head coaching job.

Hall has been called the "Jackie Robinson" of roller skating.

—Muslim

McRay said that segregation could be ended only if the economic system of this nation was "overturned." He said that capitalism spawned racial hatreds because it kept poor peoples of all races fighting among themselves for living wages.

In advocating what he termed "defensive violence," Mr. McRay said colored Americans had every right to defend themselves against any persons who threatened their human and civil rights.

• • •

MR. KARRIEM told the audience that all Muslims were instructed in self-defense. "We never aggress," he pointed out, but members of his religion would never "turn the other cheek in the face of attack."

A qcestion period followed with members of the audience, reflecting all shades of political opinion, bombarding both the Muslim leader and the Young Socialist with questions.

One young white student rose to ask Minister Karriem how he could prove that he as a white person specifically was "The Devil."

The Muslim thundered: "How can I prove that you are the Devil? Sir! Don't even let me get started on proving that. We'd be here all night."

—Hyman credits

(Continued from Page 32)

his councilmanic pay.

On the form was a space for the designation of race.

"What has this (racial designation) to do with pay?" queried Mr. Parks.

Mr. Parks termed such designations as "insidious."

Howard Murphy, AFRO-AMERICAN business manager, told Mr. Pressman that "some of us in the city are not satisfied with the operation of the Equal Opportunity Commission."

Mr. Pressman promised to speak to Mayor McKeldin, "though he (Mr. McKeldin) is not bound to accept my suggestions."

• • •

AS OF LATE, no Pressman speech is quite complete with some home-spun poetry.

Mr. Pressman's latest gem, which tickled some good - natured ribs went thus:

People scoffed at Hyman A.
When he joined with Cassius Clay
Till the day when Senator Beall
Proved my poetry doesn't smell
So the moral of the story
Don't detract from poet's glory
Never try to make a mirth day
For one born on Shakespeare's birthday.

Motorcycles back at Vista Raceway

Motorcycle racing will resume on the Vista Raceway Sunday, May 19th with seven races on the program.

The Volkmar brothers are the favorites to win the light weight race and judging from last weeks performance it will take more than an expert to say who will win the ten mile feature with Drayton Tylee, Jim White and Willie Moyee so evenly matched.
