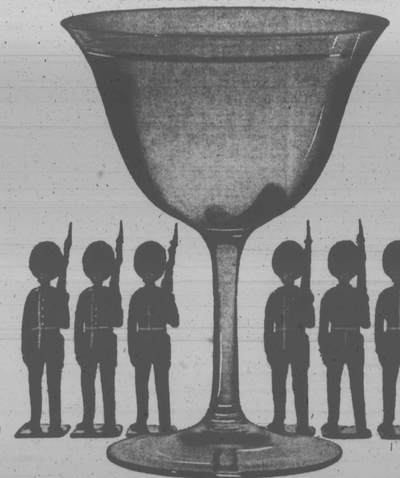
The Glorious Gordon's Martini



6 staunch reasons
Martini devotees prefer it above all others!

1 To this day, the ancient pot still method continues to be used in distilling Gordon's Gin. 2 Only gin from the heart of the run is bottled for Gordon's. 3 Gordon's uses only those juniper berries and other choice botanicals that have been aged to the peak of maturity. 4 Gordon's is extraordinarily dry. 5 Gordon's has a distinctively delicate flavour. 6 Gordon's maintains its exceptional quality because it still harks back to Alexander Gordon's original formula created in England in 1769. Reasons enough for enjoying a Glorious Gordon's Martini soon. Reasons enough, too, why Gordon's is the biggest-selling gin in England, America, the world!

Pick a Pair

smart way to buy... two at a time. Right now, thousands of stores are featuring Budweiser and other fine products...in special "Pick a Pair" displays.

1st Dupas-Moyer tally makes repeat a 'natural'

Analysis of seven different score sheets on the April 29 fight at New Orleans — which Ralph Dupas divested Denny Moyer of the junior middleweight championship leaves an impression the scuffle was harder to call than any fight in recent years.

But it all holds much promise that the 15-round return bout between Dupas of New Orleans and Moyer of Portland, Ore., must be bringing together again two of the most closely matched scrappers extant.

They battle again Monday at Baltimore Civic Center.

IN THE NEW Orleans scrap, the referee and one judge voted the win to Dupas the other judge gave it to Moyer.

That is far from the whole story. In seven of the 15 rounds at least one of the officials called it even. They were together in only five rounds...and one of those came out that way only because Dupas lost it on a foul.

* * *

DISPARITY of viewpoint on the fracas becomes much more hectic when the scoring of newspapermen is added in. Figuring all scorings, the number of rounds which drew even votes increases to nine.

All observers from the press row voted alike in only three rounds during the whole fight.

And seven of the 15 rounds were so closely contested they drew votes all three ways — some seeing it Dupas, some Moyer and some even.

1,000 youngsters hail church league opening

An estimated 1,000 young people of local Methodist churches were on hand Saturday as Bishop Edgar Love tossed out the first ball to launch the 1963 Methodist Athletic Association midget baseball program.

Following appropriate inaugural ceremonies, the Mt. Olivet Indians took up where they left off the 1962 campaign by taking the measure of Union Memorial Dodgers, 6-3. The Indians captured the title last year.

* * *

MICHAEL RANDALL hurled 2-hit ball for the Indians, striking out 8 and walking 3 opposing batsmen. He also started the Mt. Olivet scoring with a first-inning double with a teammate aboard.

Union Memorial catcher Richard Edderton homered with two on in the third, to erase an early Indian lead and tie the score. However, the Indians added three more runs in the fifth to move into a lead they held to the end.

In the opening contest, the Metropolitan Cubs had little trouble disposing of the St. James Cubs, 12-2.

TOMORROW (Saturday), the St. James Cardinals take on the Metropolitan Mets in a 1 p.m., game at Carroll Park Diamond 2, following...an 11 a.m., meeting between Union Dodgers and Eastern Eagles.

At Druid Hill Diamond 3, the Mt. Olivet Indians tangle with the Govans Pirates at 11 a.m.

Outdoor tips

QUIT CARPING

This is a tip directed to your wife, the cook. It's a way to serve fish that does away with the bone problem.

Since carp have more bone problems than most fish, it works out that this tip is best on carp, good on many other kinds of fish, too.

All set? Here goes.

Dress your carp and cut into pieces fine enough to go through your grinder with the coarse setting on. Rrrrrr... goes this mess, bones and all.

Then take the grindings and mix in cracker dust to absorb moisture and give it body.

SHOOTS GOOD, LIKE A .22 SHOULD

An inexpensive platic cigarette case makes a fine .22 cartridge container.

It's lightweight, fits into a pocket, and costs little.

gun in muslin soaked with light oil.

Then, he jams the gun home.

In a couple of days it looks like the holster leather was born for just that weapon.

Memphis closes former all-white golf course

MEMPHIS — (ANP) — The Douglas Municipal Golf Course, which along with six other public course was desegregated by federal court order last year, has been closed and its land converted into a playground and picnic area, the city announced.

Robert Schuyler, secretary of the Park Commission, said last week that the Douglas course was close because of lack of business. "We don't have to run and survey or head count of players. It was obvious that people didn't want to play there," he said.

THE DOUGLAS course was actually closed on Jan. 1. However, it was not converted until Monday.

On Jan. 1, the entire municipal park was desegregated. Only two of the remaining six golf courses are now segregated. These are Overton and Galloway.

Fuller Golf Course, formerly restricted to colored patrons is now available for both races.

Other municipal golf courses are Audubon, Riverside and Pine Hills.

Griffith seeks welter title for 3rd time

NEW YORK — With all their numerous records, Sugar Ray Robinson nor Henry Armstrong ever won the welterweight title three times.

No man, in fact, has accomplished what Emile Griffin is attempting here tomorrow (Saturday) night at Madison Square Garden.

The 24 - year - old Virgin Islander is seeking to regain the 147 - pound crown from Luis Rodriguez.

• • •

GRIFFITH first won the championship by stopping the late Benny Paret in 13 rounds April 1, 1961.

He lost it to Paret that same year, Sept. 30, on a decision and then regained it March 24, 1962 in the bout that resulted in fatal injuries to Paret.

After defenses against Ralph Dupas and Luis Fernandez, he was upset by Rodriguez in March.

• • •

THE TWO boxers broke even in two previous bouts. Griffith beat Rodriguez in New York, Dec. 17, 1960, a months before he won the title for the first time.

Griffith's record for 39 bouts is 35 - 4 with 12 knockouts. Rodriguez's career record is 50-2 with 21 knockouts.

Birds hold tutor clinic tomorrow

Approximately 500 or more high school and college coaches from the Oriole drawing area (Maryland, Delaware, Pennsylvania, Virginia and West Virginia) have been invited to attend a baseball clinic to be held tomorrow (Saturday) at Memorial Stadium from 3 to 5 p.m.

Oriole manager Billy Hitchcock and his coaching staff will conduct the clinic. Several of the players will participate in it also.

THE CLINIC is designed to give the school coaches an opportunity to think and discuss baseball at the major league level.

The clinic will be instructional in nature, stressing various techniques employed in baseball.

As an additional attraction and further compliment to our high school and college coaches, each coach has been invited to attend the Red Sox-Oriole game that night as guest of the Oriole management.

Tie for first in major loop

Our Lady of Fatima and Walbrook, currently tied for first in the Major League, will try to break into undisputed possession of the loop lead as sandlot baseball continues Sunday.

Of the two, Fatima appears to have the tougher assignment. She meets Spring Grove at the Spring Grove Hospital grounds, while Walbrook takes on Reistertown at Druid Hill Diamond 1.

Spring Grove is in third place only a game behind the two leaders. Reistertown is three games back in fourth.

THE LEAGUE'S two newest members, Havre de Grace and Parkville, will finally resolve their situation at the bottom of the standings.

Both winless, with 0-4 records, one or the other will have to break into the victory column when they clash at Parkville.

Sunday's schedule calls for double-headers on all fronts, each beginning at 2 o'clock.
