Liss heads new judicial set-up

Solomon Liss, chairman of the Public Service Commission, has been named head of a special Baltimore City ... working for adoption of the Niles Plan for improving the method of filling judicial vacancies in Maryland.

Catonsville to get state research lab

A $1 million Psychiatric research Center to serve the entire State hospital system will be built at Catonsville with Federal assistance, Maryland's Rep. Clarence D. Long announced this week.

Rep. Long said a grant of $514,000 was made by the Federal Public Health Service to the Maryland Department of Mental Hygiene to help pay equipment and construction expenses. Matching state funds will pay the rest of the cost.

Construction of the new research center, to be located on the grounds of Spring Grove State Mental Hospital, will be completed within a year, Rep. Long said.

Clinical research wards are to be added to the center building later. The center is to have a staff of 100 when it is in full operation.

Bennett College hears Methodist missionary

GREENSBORO, N.C. —Theressa Hoover, of N. Y., representing the Board of Missions of the Methodist Church, spoke on "Conversion and Service" at a recent Bennett College vesper service.

Pointing out that the two words are actually sides of the same coin, Miss Hoover noted that service has taken on the aura of the extra - religious and that conversion, for many people, has more meaning in the secular sense.
