CADA complains in Murray case

The Campus Americans for Democratic Action, an organization based in New York City, has registered its "concern with the manner in which the Madalyn Murray case is being handled" with State's Attorney Charles E. Moylan r.

Leo W. Burroughs Jr., projects director of the group, wrote that "our consciences and sense of fair play would not permit us to remain silent witnesses to a miscarriage of justice"

CADA noted the assault against policemen charges against Mrs. Murray and doubted that she "is possessed of superhuman strength enabling her to slug it out toe - to - toe with 15 or 20 of Baltimore's Finest.'

The organization stated in its letter that "it is highly unlikely that Mrs. Murray will be able to receive a fair trial in this the Monumental City" and said her extradition or reindictment will hurt the image of the city.
