The illness that never got started

A lot of progress has been made in preventing baby illnesses. Hospitals have learned how to control the germs that threaten even the most spotless nursery.

They have learned that Lysol is one of the most successful preventives of environmental disease ever adopted.

Lysol is the quickest, safest, most effective way to eliminate disease germs while you do your regular housecleaning. Use Lysol Brand Disinfectant in the bathroom, kitchen, nursery, all through the house. Lysol added to your regular cleaning water is more effective than any bleach, any pine oil—at lower cost. And Lysol is as safe to use as your detergent.

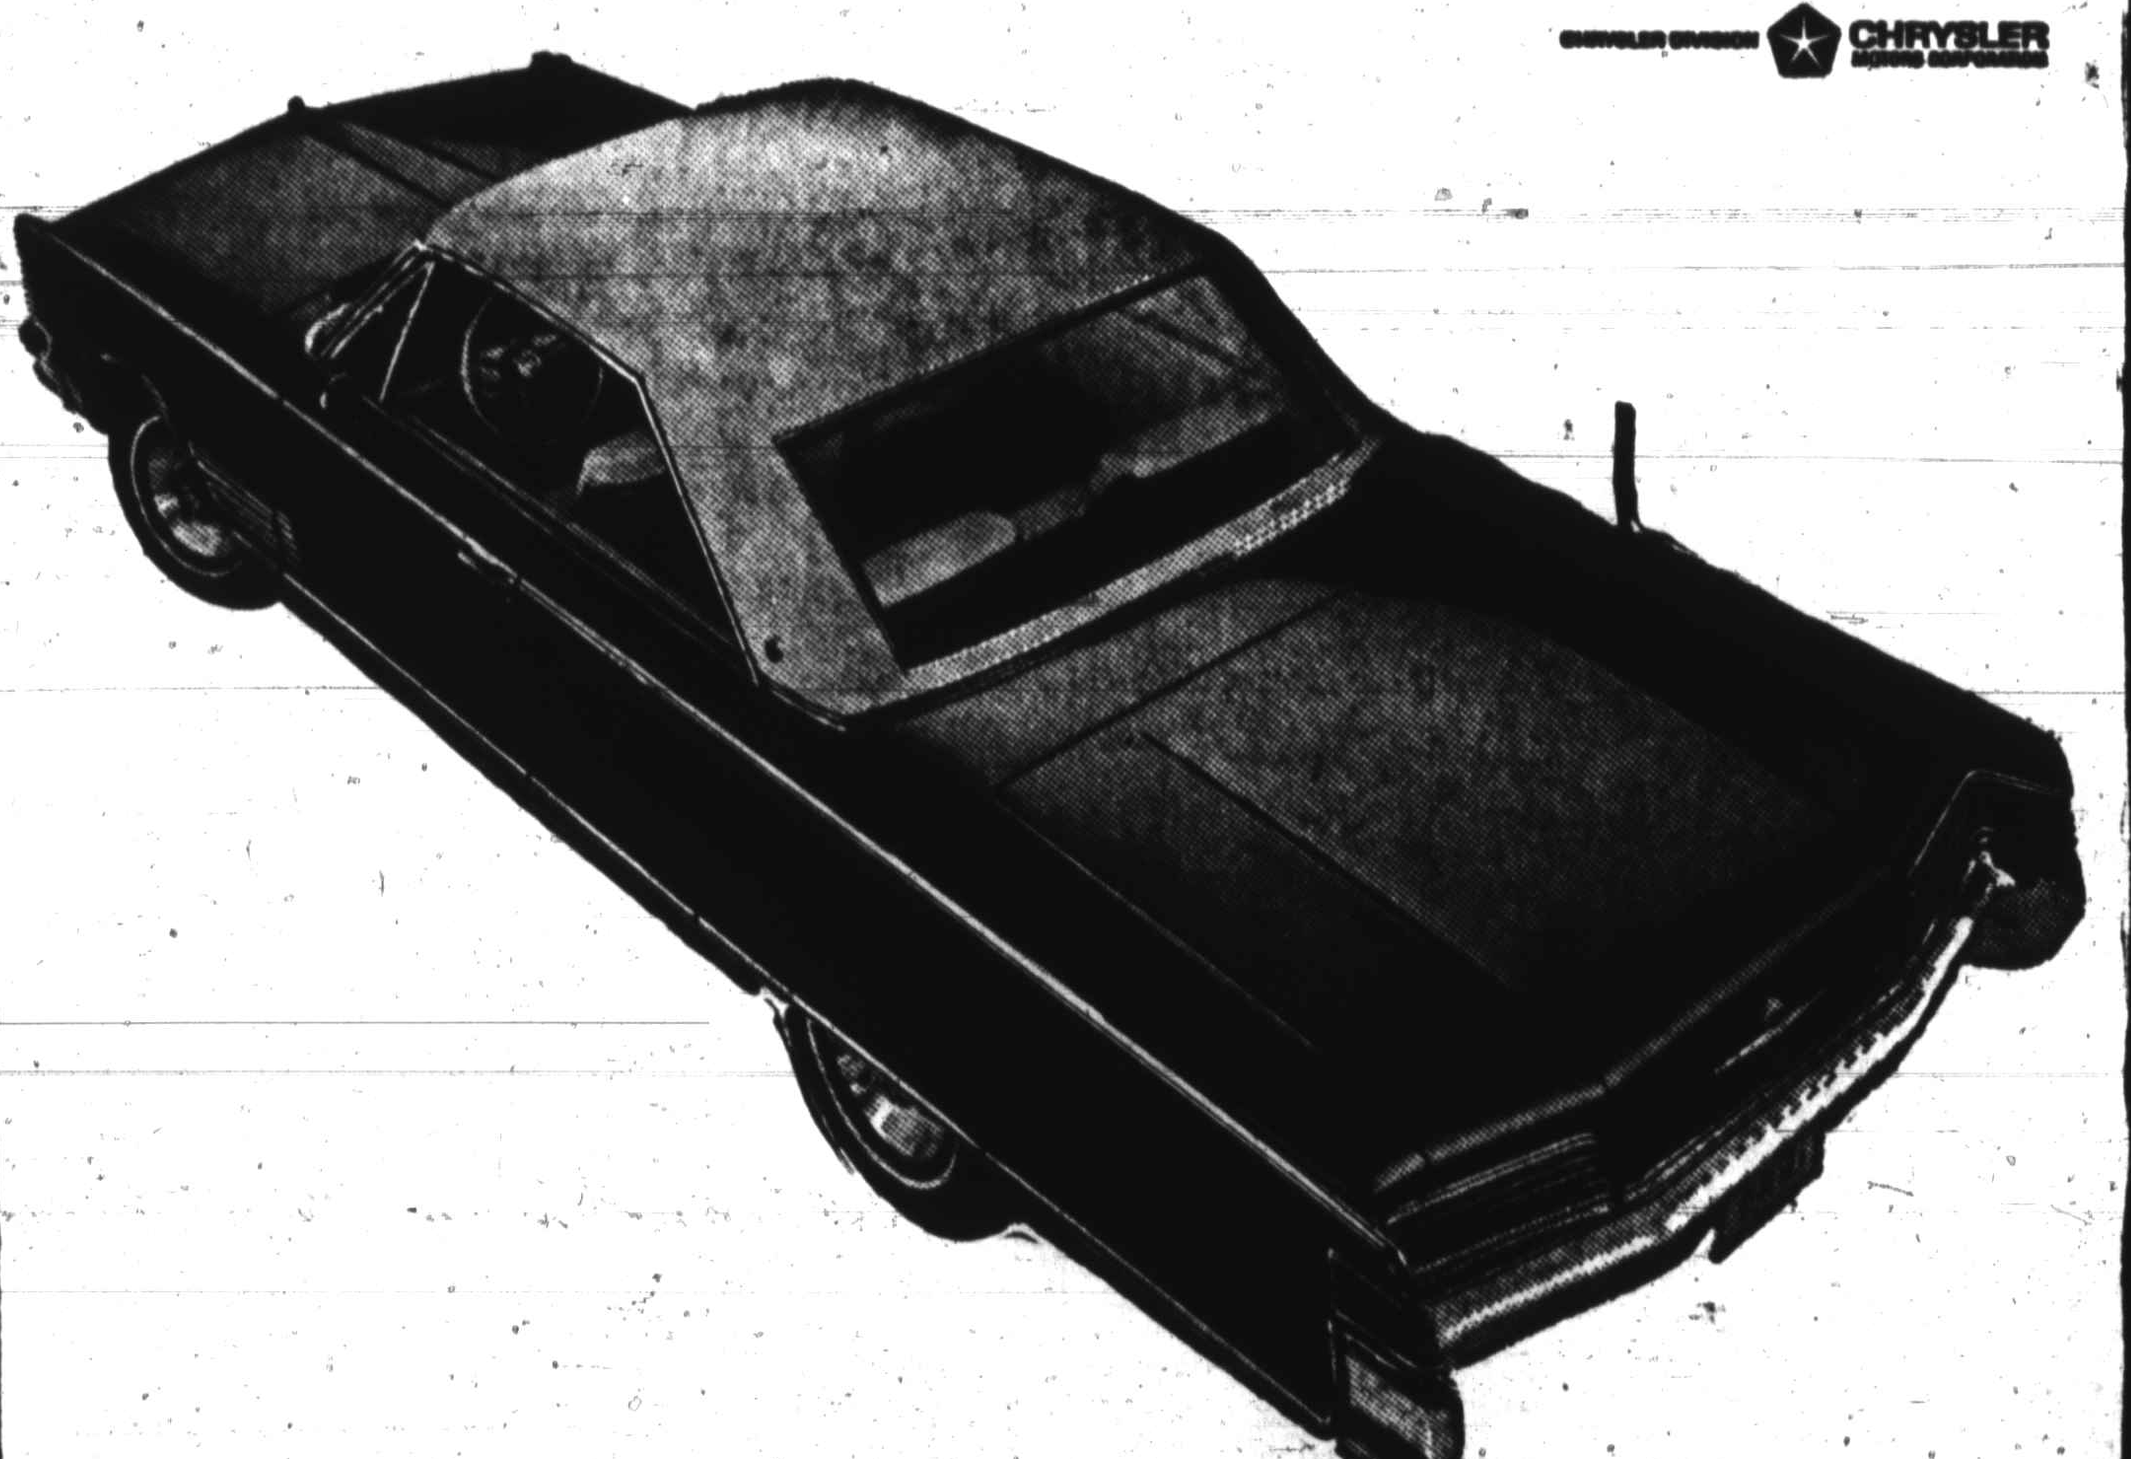
STRAIGHT BOURBON WHISKY • 86 PROOF • ©1965, OLD CHARTER DIST. CO., LOUISVILLE, KY.



The 1966 Chrysler.
Since the '65 broke all sales records, think what this one will do.

What do you do to beat the all-time sales record set by the '65 Chrysler?

Build the '66.

It's better looking. Faster moving. More luxurious with new form-fitting shell bucket seats.

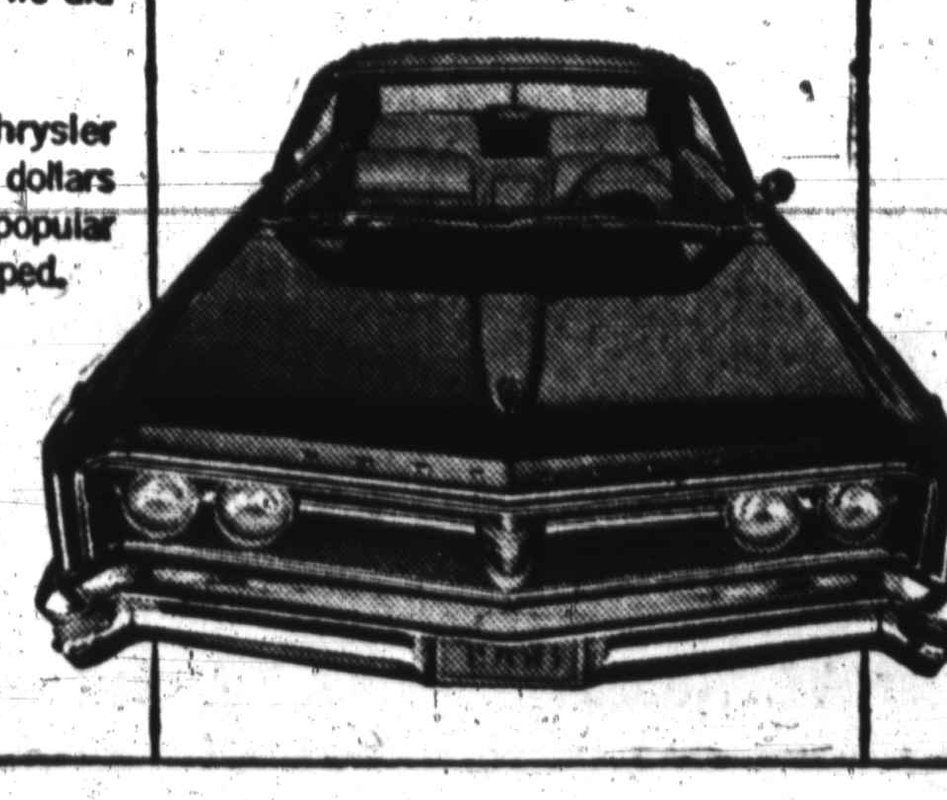
There is, however, one thing we did not change.

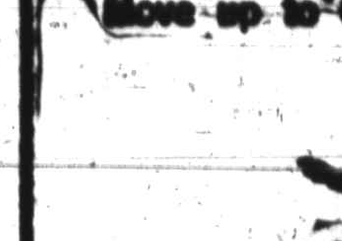
Value.

This year five full-sized Chrysler Newports are priced just a few dollars a month more than the most popular smaller cars, comparably equipped.

That small difference in price includes power steering, power brakes, automatic transmission, radio, heater, seat belts front and rear, white wall tires, special wheel covers—and a very healthy 383 cubic inch V-8.

Now who beats a combination like that? Nobody. Move up to Chrysler... it's easy.





Will you love us in '66 as you did in '65? Sure you will—maybe more.
