FREE CONSUMER INFORMATION

We strongly believe consumers have a right to know more about the products they buy in the supermarket. Look for our new Operation Aware Centers in our stores. They're packed with free consumer brochures to help you understand Unit Pricing, Open Dating, Nutrition Labeling, A&P Brands, Universal Product Code and our Operation Aware Commitment that spells out your rights in the supermarket. There are also free recipes and a handy bulletin board for your use. The Aware Center is another step towards our commitment to help you be more aware.
