Plus Double Savings on ALL MANUFACTURERS' MONEY-SAVING Coupons!

Redeem the manufacturers' money-saving coupons you clip from newspapers and magazines or receive in the mail at Acme/Super Saver Markets. When you purchase these items from us, we will double the savings marked on the coupons. This offer is good thru August 13, 1977.
This offer applies to manufacturers' money-saving coupons only. It does not apply to other stores' coupons, whether a manufacturer is mentioned or not, or to "Free" coupons. Cigarettes, milk, tax, lottery tickets, and certain other items are excluded by law. This offer is good for the condition stated except where the total would exceed the value of the item. When double the value of a manufacturers coupon exceeds the retail of the item the refund will be equal to the purchase price of the item.
During the course of this offer, there is the possibility of unusual demand for a particular Manufacturers' coupon item. If a Manufacturers' coupon does become temporarily unavailable, please request an Advertised Price From "Rainbow Check." This entitles you to "Double Savings" on the Manufacturers coupon items when purchased.
Due to the current coffee market conditions ... the supply of coffee is erratic. To insure product for all our customers, we are limiting our "Double Coupon" efforts to one jar of instant coffee and one can of ground coffee per shopping family. The coupons presented with additional purchases of coffee will be redeemed at face value.
