Dear Friend:

You are cordially invited again this year to help the AFRO-AMERICAN'S Mrs. Santa benefit program.

Mrs. Santa, AFRO charities is a non-profit organization of the AFRO-AMERICAN Newspapers which collects funds to aid the less fortunate at Christmas.

Funds are used to purchase food baskets which include all the ingredients for a meal and staples to last at least two weeks. Names are supplied by our readers, city agencies and the Police Department.

Special note

If you decide to contribute $50 or more, please call Mrs. Santa at 728-8205 and we'll arrange for a picture with Mrs. Santa. When it is published in the AFRO, it will encourage others to give.

Write

If you know a needy family, a burned-out family, write and give us the full facts. The names, ages, sizes of children and why you think they need help. We will investigate and try to help. All families are listed in our files and in the paper by case numbers.

Adopt family

We suggest that clubs and organizations send cash donations to the AFRO's Mrs. Santa Fund. We are able to purchase food in bulk, and the basket will be delivered by the Maryland National Guard. Send your check or money order to Mrs. Santa, AFRO Charities, 628 N. Eutaw St., Baltimore, Md. 21201.

If you wish to give clothing or furniture to a family, call Mrs. Santa, 728-8205 and we will arrange to give you the name and address of the family, or arrange for transportation.

Santa's cases

'My husband died'

Case 62: My husband died of a heart attack and I am unable to work because of high blood pressure and kidney trouble. I have five children who all need warm clothes and shoes for the winter. With the high cost of food, I buy soups and bags of beans or potatoes to last us until the next month's check comes in. Would you help us out with a basket for Christmas, too.

Case 63: My husband died last year and I have 6 children and 5 grandchildren. I have been trying to get some oil and we don't have any heat yet. The children range from age 2 through 19. Anything you can do to help us will make us happy.

'We need coats'

Case 64: I am writing for a mother of three children. She is a hard worker and a devoted mother, but because she is the sole supporter of her family, things are rather hard for her this time of year. I think she will thank you very much for some toys and heavy coats for her children this winter. The two girls wear size 8 and 10 and the boy wears size 14.

Case 65: My husband is out of work. I would greatly appreciate some help this year for my family. The children are all in school and doing well. They are: girls, 16, 15, 14, 8 and boys, 19, 17, and 9. The 19-year-old son is not in school, but he is not working now. They need a coat and so do I. Anything at all will be appreciated.

Case 66: Could you give my two-month-old daughter and me a basket for Christmas. I am 18-years-old and I sleep on the floor. My daughter has a bassinet. I live by myself.

Case 67: Three months ago my husband lost his job and because of a bad write-up from his foreman he was penalized from drawing unemployment compensation and we could not get welfare. We have four children to support. My daughter died three years ago, leaving us with four children. If we could get a basket for Christmas we would be very thankful.

Case 68: My doctor says I am unable to do any kind of work. I have diabetes, heart problems and a nervous condition. Please help us have a nice meal and games, toys and warm clothes for my kids. I have 4 children and two grandchildren, all living with me. I have 3 girls, Iris, 14, 13 and 17; three boys, 18 and 20 and grandchildren, 7 years and 2 months old.

Father has a drinking problem'

Case 69: I have four boys and one girl and with your help they will have a good Christmas. Toys are not important, but they could use clothes for school. They have a father but he has a drinking problem. They did not have much of a Christmas last year and I would like to give them a nice dinner this year. Any help will be appreciated.

'We can't get unemployment'

Case 70: I have been out of work for two years and would like to make a nice Christmas for my family this year. I have four kids, three boys and a girl. They all need coats. I only need a couple of toys for the 9-year-old boy since he girl is 15 and the boys are 16 and 17. I would be thankful if you could help.

'Alone with 9 children'

Case 71: My sister-in-law is now left alone with nine children. She would like to work but is not able at this moment. She has three girls and 6 boys in need of shoes, underclothing and coates. The girls sizes are 10, 12 and 14; boys, 12, 14, 16, 18, 22 and 4. Food is also needed. Any help would be appreciated.

'My wife is dead'

Case 72: My wife is dead and I am out of work. I am the father of four children, two boys and two girls. Will you see that my children get a basket and some clothes and toys for Christmas. God will bless you and your staff.

Case 73: I am sleeping on a fold-up bed and my mother is sleeping on a mattress on the floor. She rolled off on the floor and hurt her back. Her oldest granddaughter, 14, has one-year-old twins. I am asking from my heart that you help her and her grandchildren. We could use size 13 to 14 for my mother, 11 and 12 for the girls, and 9½ for the boys.

Coppin Deltas adopt family

Zeta Epsilon Chapter, Delta Sigma Theta Sorority's undergraduate chapter, Coppin State College is adopting a family again this year at Thanksgiving and Christmas.

When they adopt a family they help at Thanksgiving and Christmas by giving a nice basket at Thanksgiving and then Christmas they really do it up brown for the family.

They find out the ages of everyone in the family, then they gather clothes for everyone. They wash and iron the things then wrap them as Christmas gifts. They also have a toy drive so they can give each youngster toys.

Again they fix a basket with all the dressings for the big Christmas dinner. They make sure there is plenty left over to carry the family the rest of the month.

Officers of the group are: Misses Barrett, president; Carolyn Sally, 1st vice president; Regina Clark, treasurer; Wanda Dixon, recording secretary. Advisors are: Madames Esther Williams, Savanah Jones and Miss Yvonne Addison.

BMI honors Warren and AFRO's Mrs. Santa

The Baltimore Marketing Association, Inc. will honor a prominent minority realtor at its Tenth Annual Awards Dinner, Dec. 9, at 7:30 p.m. at the downtown Baltimore Hilton. Each year the Association honors individuals who have made outstanding contributions in business and community affairs and makes a cash contribution to the AFRO's Mrs. Santa, Mrs. Ida Peters.

This year's honoree is Otis Warren, Jr., franchise owner of Century-21 — Otis Warren, located at 4300 Gelston Drive in Baltimore.

Seven years ago Otis Warren, Jr. took over the family's real estate business, when failing health compelled his father to retire.

Warren's achievements included being voted by his peers the 1976 - 77 "Realtor of the Year". In August 1977 Century - 21 - Otis Warren set a regional record by selling more than $2 million of real estate in one month in the region comprised of Delaware, Maryland, Virginia and Washington, D.C.

The keynote speaker for the Awards Dinner will be Charles Wallace, owner of Wallace and Wallace Chemical Oil Company, of St. Albans, N.Y. and president of Wallace & Wallace Chemical Oil Company, developers of a fuel oil refinery.

Wallace started his fuel oil business in 1968 with only one truck. Today Wallace and Wallace Fuel Oil has a fleet of 16 trucks, 60 employees and a $17 million annual gross income. As a reaction to the uncertainties of acquiring adequate oil supplies, he is now developing an oil refinery outside Tuskegee, Ala. where this development will greatly lessen the chronic under - employment of the area.

Television news reporter Dwight Smith will be Toastmaster for the Awards Dinner.

Each year at the Awards Dinner The Baltimore Marketing Association, Inc. awards scholarships to minority students attending colleges and universities in Maryland.

Mrs. Santa's Helpers

By Arnetia Lottier

Thanks to the folks at Threshold, Inc. for the $72.00 they collected to help the needy. Mrs. Santa is most appreciative.

Threshold is a community correction facility in the 1700 block St. Paul St. This is designed to help male prisoners from six months to a year before their release from prison. Here they are helped to find equipment, get in touch with families, find a place to live and in general help make them as independent as possible when they return to their communities.

The Resident Committee recommended giving a donation to the AFRO's Mrs. Santa. Wayne Hinton, Committee advisor and Douglas Poole, assistant director, Threshold, Inc. brought the check to Mrs. Santa's office. Thanks again to the inmates and personnel of Threshold, Inc.

There were eight very fortunate families on Thanksgiving. Due to the kindness of the Mosjid Muhommad at 514 Wilson St., these folks received fresh lamb that had just been slaughtered. Wasn't that just wonderful?

Lamb is a real treat to everyone today because the price is outlandish.

Kind people are calling the office to say they have something to give to the needy.

Mrs. Evelyn Odom called and adopted three families. She is going to provide clothes for all the youngsters in these three families. Many thanks for your kindness, Mrs. Odom.

Miss Dorothy Bridgeforth, 1700 N. Payson St., called to say she has some nice warm coats to give to Mrs. Santa. She is going to have them cleaned and pressed before bringing them to us. This is the way we like to have clothes come in, looking like someone cares instead of like you cleaned out a closet and threw in everything including junk. We'll be pleased to receive these nice warm clothes.
