Board of Estimates employees will be stationed at the Security Unit Counter just inside the Holliday Street Entrance to City Hall from 10:45 A.M. to 11:00 A.M. every Wednesday, to receive bids from bidders who feel they would not be able to deliver the bid envelope to Room 204 by 11:00 A.M., the box, will be sealed and brought to Room 204, City Hall, Comptroller's Office. Positively no bids will be received after 11:00 A.M. Daylight Savings Time, and at 12:00 Noon on said date they will be publicly opened by the Board of Estimates in Room 215 in said City Hall.

"Baltimore City hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color or national origin in consideration for an award." Also, the bidder's attention is called to the Standard Federal Equal Employment Opportunity Construction Contract Specifications (Executive Order 11246) which is a part of the contract proposal. All of these activities shall be done in accordance with Title VI of the 1964 Civil Rights Act, as amended.

It is the goal of the Interstate Division for Baltimore City that minority business enterprises participate in all Federal-aid contracts. Each contract will contain goals for minority business enterprise participation on a contract-by-contract basis. THE CONTRACTOR SUBMITTING THE LOW BID ON THIS CONTRACT WILL SUBMIT THE APPROPRIATE SCHEDULE OF PARTICIPATION OF MBES AND MINORITY CONTRACTOR PROJECT DISCLOSURE AND PARTICIPATION STATEMENTS as stated in the proposal. Only those firms determined to have reasonable bids will be required to submit the above referenced documents.

Plans, Specifications and other contract documents may be examined without charge at the Interstate Division for Baltimore City, 2225 North Charles Street, Baltimore, Maryland on and after March 19, 1982, and copies thereof may be obtained on payment of two hundred dollars ($200.00) for each copy 24 inches by 36 inches and one hundred fifty dollars ($150.00) for each copy 12 inches by 18 inches, which payment will not be refunded.

Each bid must be accompanied by a certified check of the bidder, or bank cashier's check, or a bank treasurer's check drawn on a solvent clearing house made payable to the Mayor and City Council of Baltimore or a Bid bond executed on the form as provided in the Bid or Proposal in the amount of $250,000.00 will be required with each bid.

The successful bidder will be required to give bond in the amount of the "Contract Price."

The Board of Estimates reserves the right to reject any and all bids and - or waive technical defects if, in its judgement, the interest of the Mayor and City Council may so require.

Bids when filed, shall be irrevocable.

Attention of bidders is called to the minimum wage rates to be paid on this project.

The cost qualification range for this work shall be above $35,000,000. Contractors whose capacity rating does not meet the lower limit of the qualification range may obtain plans and proposals marked "Not for Bidding Purposes."

All contractors and subcontractors desiring to bid for work under the jurisdiction of the Department of Public Works must be prequalified with the Contractors Qualification Committee, City of Baltimore, 1105 Municipal Building, Baltimore, Maryland 21202.

A prime contractor must be prequalified by the Board of Estimates in the amount of his bid regardless of the aforementioned qualification range at the time of bid opening.

All contractors desiring to bid on work described in this contract under the juridiction of the Housing Authority of Baltimore City, and whose bid or contract amount will be $10,000 or more will be required to be prequalified for the work categories involved by the Contractors Qualification Committee of the City of Baltimore, 1105 Municipal Building, 200 N. Holliday Street, Baltimore, Maryland 21202.

The successful prequalified bidder will be required to furnish satisfactory performance and payment bonds within ten (10) business days after the date of the letter of notification of award of the contract.

Attention is called to the fact that payrolls must be filed with the Housing Authority and not less than the prevailing salaries and wages as set forth in the Specifications must be paid on this project. The contractor must insure that the employees and applicants for employment are not discriminated against because of their race, creed, color, religion, sex, or national origin.

The successful bidder may be required to prepare and submit an Affirmative Action Program regarding the employment of minority job applicants. Details are set forth in the Contract Documents under 41 CFR 60-4.2(d) "Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity (Executive Order 11246)" and 41 CFR 60-4.3(a) "Standard Federal Equal Employment Opportunity Construction Contract Specifications (Executive Order 11246)." In addition, prior to the signing of a contract, he must submit a preliminary statement of work force needs, were known. Where not known, this information must be supplied prior to the signing of any contract between the concractor and his subcontractors.

Under the Minority Business Enterprise Program, the successful bidder is expected to subcontract 15 to 25 percent of the total contract to minority businesses.

The Housing Authority of Baltimore City reserves the right to reject any and all bids or to waive any informalities in the bidding.

No bid shall be withdrawn for a period of thirty (30) days subsequent to the opening of bids without the consent of the Housing Authority of Baltimore City.

**PUBLIC NOTICE
of
ORDER OF THE COURT OF APPEALS OF MARYLAND PERTAINING TO THE 1982 LEGISLATIVE DISTRICTING PLAN**

This is to give notice of the following Order dated March 5, 1982 in the case entitled In The Matter of Legislative Districting of the State. The procedure set forth in said Order will apply to all proceedings filed in this Court pertaining to the 1982 Legislative Districting Plan.

ORDER

The General Assembly of Maryland, pursuant to the provisions of Section 5 of Article III of the Constitution of Maryland, having enacted House Joint Resolution No. 32 on February 26, 1982 adopting a legislative districting plan (the 1982 legislative districting plan) setting forth the boundaries of the legislative districts for the election of members of the Senate and the House of Delegates, and

The Court of Appeals of Maryland, by Section 5 of Article III of the Constitution of Maryland, being vested with original jurisdiction to review the 1982 legislative districting plan upon petition of any registered voter, and to "grant appropriate relief, if it finds that the districting of the State is not consistent with requirements of either the Constitution of the United States . . . or the Constitution of Maryland," and

It being required by Section 4 of Article III of the Constitution of Maryland that each legislative district "shall consist of adjoining territory, be compact in form, . . . of substantially equal population (and that) (d)ue regard shall be given to natural boundaries and the boundaries of political subdivisions," and

C. Lawrence Wiser, purporting to be a registered voter of the State, having invoked the original jurisdiction of the Court by petition filed March 2, 1982, challenging the constitutional validity of the 1982 legislative districting plan and requesting that the Court enter an appropriate order governing the conduct of proceedings, and

The Attorney General of Maryland having represented by petition filed on February 26, 1982 that other challenges to the validity of the 1982 legislative districting plan are imminent and that the Court should promulgate procedures to govern all actions brought under Section 5 of Article III of the Constitution of Maryland challenging the constitutionality of the 1982 legislative districting plan, or any part thereof, and

It appearing from the provisions of Maryland Code (1957, 1976 Repl. Vol.) Art. 33, No. 4A-3, that the statutory deadline for the filing of certificates of candidacy for election to the Senate and the House of Delegates is July 6, 1982, and

It further appearing from the provisions of No. 5-2 of Article 33 that a statewide primary election for the Senate and House of Delegates is scheduled to be held on September 14, 1982; and that Section 7 of Article XV of the Constitution of Maryland requires that a statewide general election be held on November 2, 1982, and

The petition of the Attorney General having noted that in view of the stated time limitations and constraints "time is of the essence in determination of the final legislative districting plan," and

The Court having concluded that an order governing the orderly conduct of proceedings challenging the 1982 legislative districting plan is in the public interest and that due notice should be given to the public of such proceedings, requiring intervention pursuant to a strict schedule for filing of pleadings, evidence, memoranda and for public hearing before a Special Master of the Court; now, therefore, it is this 5th day of March, 1982

ORDERED, by the Court of Appeals of Maryland, that any registered voter of the State who contends that the 1982 legislative districting plan, or any part thereof, is invalid shall formally intervene in these proceedings by petition filed on or before Wednesday, March 31, 1982 setting forth his objection to said plan and containing the particular part or parts of the plan claimed to be unconstitutional and the factual and legal basis for such claims, and the particular relief sought, including any alternative district configuration suggested or requested by the petitioner. Any answers to said petitions shall be filed within ten days after the filing of the petition; and it is further

ORDERED that public hearings be scheduled and held in the Courts of Appeal Building, Annapolis, Maryland, on Wednesday, April 14, 1982 and continuing until completed, before the Honorable W. Albert Menchine, a Special Master, appointed by the Court; and it is further

ORDERED that within fifteen days after the filing of the Report of the Special Master, exceptions, if any, shall be filed, and a hearing before the Court thereafter immediately scheduled; and it is further

ORDERED that the Clerk of the Court give notice to the public of this Order by publishing notice thereof in the Maryland Register and in two newspapers in each county, where so many may be published, or where not more than one may be published, then in that newspaper, and in three newspapers published in the City of Baltimore and one newspaper published in the District of Columbia, once a week in each of three successive weeks; and it is further

ORDERED that the Clerk of the Court make copies of the 1982 legislative districting plan available, for a reasonable fee, to such members of the public as may request the same.

s- Robert C. Murphy
Chief Judge

Filed: March 5, 1982
James H. Norris, Jr.
Clerk, Court of Appeals of Maryland

Registered voters who intend to formally intervene in the proceedings should caption their pleadings "In the Matter of the Legislative Districting of the State" and file the same on or before March 31, 1982 with the Clerk of the Court of Appeals, Courts of Appeal Building, Annapolis, Maryland, 21401

**CITY OF BALTIMORE
DEPARTMENT OF PUBLIC WORKS
BUREAU OF WATER AND WASTE WATER

NOTICE OF PUBLIC HEARING
TO PRESENT THE RECOMMENDED PLAN FOR PHOSPHORUS REMOVAL FOR THE 70 MGD PATAPSCO WASTE WATER TREATMENT PLANT**

The City of Baltimore is nearing completion of the expansion of the Patapsco Waste Water Treatment Plant to treat 70 million gallons a day (MGD) of wastewater. When the 70 MGD facilities were designed, a phosphorus limitation was not required of the plant effluent. Phosphorus is one of the parameters controlled in sewage effluent to protect the receiving waters from eutrophic conditions.

As part of the Patapsco Waste Water Treatment Plant and Conveyance System 201 Facility Plan six alternatives were investigated to control the phosphorus levels discharged by the 70 MGD plant to the Patapsco River. The effluent limitations for phosphorus, define by the State of Maryland are a monthly average of 2mg-1 and a weekly average of 3 m-1. This portion of the facility plan is presented in public hearing at this time to help meet the State deadline of June, 1983 for phosphorus removal levels.

The recommended plan for meeting phosphorus removal levels is to upgrade the present facilities using a patented biological process, owned by Air Products, called the A-O process. Because it is an innovative process, pilot plant testing will be conducted to confirm the adaptability of the process to the Patapsco wastewater and plant processes. The estimated cost to pilot plant test and to design and construct appropriate facilities is $3,389,000. The local share of the capital cost is $230,000. share of the capital cost is $230,000

In order to provide convenient access to the public hearing for interested citizens, the hearing is scheduled for
