HOUSING AUTHORITY OF BALTIMORE CITY

Request For Proposal

Sealed proposals will be received by the Housing Authority of Baltimore City for Design - Build Services to be performed for the rehabilitation of scattered site housing under the Housing Authority's Public Housing Program. Proposals will be accepted until 4:30 p.m., Eastern Daylight Savings Time on May 3, 1982 at the offices of the Housing Authority of Baltimore City, Saratoga Street Municipal Building, 222 East Saratoga Street, Room 675, Baltimore, Maryland 21202.

The project consists of fifty - seven (57) vacant structures which have been selected from the City - owned houses that are made available to the Housing Authority. Services should include, but not necessarily be limited to, accomplishing the design to obtain the maximum use of available space, zoning permitting, and to execute the construction of the project with a quoted dollar price not to exceed current allowable prototype costs.

Packages may be obtained by qualified parties at the Department of Housing and Community Development, Division of Construction and Buildings Inspection, 222 East Saratoga Street, Room 220, Baltimore, Maryland 21202.

Design and construction must meet or exceed the current Baltimore City Building Codes, HUD's Minimum Property Standards, and the standard Specifications of the Housing Authority of Baltimore City's Housing Renewal Program approved August 20, 1981.

The Housing Authority and HUD reserves the right to (1) perform periodic reviews of architectural plans, specifications and bid documents while being prepared, including cost estimates; (2) approve contract documents prior to advertising for bids, including plans and specifications; (3) approve award; and (4) reject all bids.

Successful propoers must certify that they, as well as any other participants (i.e. contractors, subcontractors, etc.) will comply with applicable Davis - Bacon wage rates and the labor standards and regulations as set forth in 29 CFR, Subtitle A, Parts 1, 3 and 5, Equal Employment Opportunity as set forth in Section 3 of the Housing Act., as well as Executive Order No. 11246, as amended, Executive Order 11625, and all other applicable Federal, State and local equal opportunity laws.

The proposal shall include: (1) A statement of qualification to reflect your firm's capability to perform the appropriate duties. This should include a detailed narrative statement of previous rehabilitation, construction and development achievements. (2) A Statement as to anticipated source of construction financing. (3) References, both financial and other "owners" that you have worked with. (4) A production schedule outlining length of time required for design and for construction.

The successful proposer will be required to prepare and submit an Affirmative Action Program regarding the employment of minority job applicants. Details are set forth in the Contract Documents under 41 CFR 60-4.2(d) "Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity (Executive Order 11246)" and 41 CFR 60-4.3 "Standard Federal Equal Employment Opportunity Construction Contract Specifications (Executive Order 11246)." In addition, prior to the signing of a contract, he must submit a preliminary statement of work force needs, where known. Where not known, this information must be supplied prior to the signing of any contract between the contractor and his subcontractors.

Under the Minority Business Enterprise Program, the successful proposal is expected to contract - subcontract 15 to 25 percent of the total dollar value of the contract to minority business.

The selection of the Design - Build Consultant will be made on the basis of the best proposal received. The criteria to be used in this determination, among other things, is (1) experience, (2) the time schedule for the project, (3) fee schedule and-or upset price, (4) scope of services to be provided by the Design - Build Consultants and (5) the results of an interview with a panel of DHCD employees.

The cost classification range for the project will be from $2,000,000 to $3,000,000.

BALTIMORE COUNTY MARYLAND
NOTICE OF INTENT TO ASSIGN PROJECTS

In the near future, the Professional Services Selection Committee will recommend consulting assignments for the following projects:

PROJECT 82-6A through 82-6D—
BRIDGE INSPECTION AND RATING

Professional services are required for the inspection and rating of approximately 322 bridges located throughout Baltimore County. The types of bridge structures and corresponding quantities of each are tabulated below. Because of the wide variance in bridge structure types and the total number of structures involved, it is intended to divide the project into four (4) sub - projects (identified as 82-6A, 82-6B, 82-6C, 82-6D), with each sub - project to be awarded separately. Therefore, firms seeking award consideration on any one or more of sub - projects 82-6A through 82-6D are required to indicate on the DPW Form 102 submittal the specific sub - projects of interest.

Technical disciplines required: Experience in bridge rating and inspection, commensurate with the types of structures identified in the tabulation given below; experience with National Bridge Inspection and AASHTO Standards.

Any award granted under this request may be funded in part with Federal funds and, therefore, would be subject to applicable Federal regulations.
