Prim and self-assured about her standing in the community, Carolyne has managed to conceal her involvement in a potentially explosive relationship that could damage her self-respect and reputation forever.

When Freida (Cash), Carolyne's prodigal sister, unexpectedly returns to the Lovejoy home as a divorcee with a young son, the two women are at odds immediately. As Freida's free-wheeling, hedonistic life style clashes with Carolyne's rigid morals and values, Sissy joins in the fray and sides with Freida in a plan to keep the house. A personal crisis further complicates Carolyne's effort to sell the home and climaxes in an angry family confrontation which results in shocking revelations.
