SECTION 2. AND BE IT FURTHER ORDAINED, That the amounts set forth in section 1 above designated deappropriations and enclosed in parentheses shall revert to the surpluses of the respective funds and be available for appropriation by this or subsequent ordinances.

SECTION 3. AND BE IT FURTHER ORDAINED, That the amounts set forth in section 1 above include appropriations for the Baltimore City Sick and Disability Payments fund, which fund is separate and apart from any other salary and wage amount included in Section 1 above, in order to pay for employee sickness and disability as provided in the Administrative Manual of the Board of Estimates, Section "Personnel, Subject: Sick Leave", said Administrative Manual is Baltimore City's Sick-Leave Authorization and authority to pay employees solely on account of sickness rather than as ordinary continuations. It has always been the policy of the Mayor and City Council of Baltimore that payments to employees solely on account of illness or disability of such employees are not wage continuation payments. Appropriations included in the amounts set forth in Section 1 above total Twelve Million Five Hundred Thousand Dollars ($12,500,000). Any part of the amount remaining unused at the end of the fiscal year shall revert to the surplus of the respective funds and shall be available for appropriation by this or subsequent ordinances.

SECTION 4. AND BE IT FURTHER ORDAINED, That no part of the amounts appropriated in this Ordinance of Estimates shall be made available to pay for costs of any capital project not specifically approved through this Ordinance of Estimates or without the prior consent of the City Council; and provided further that no part of the amounts appropriated in this Ordinance of Estimates shall be made available to any agency without the prior approval of the City Council to pay for occupancy, by lease or otherwise, of any facility whose costs exceed the amount provided in the detail supporting this Ordinance of Estimates.

SECTION 5. The foregoing appropriations and deappropriations in summary consist of
