If you ask me

By Betty Moss

Hats off!

In this week's spotlight is Laura Jude Gardner. She's the young Baltimore businesswoman, (part owner of Gatsby's), who has embarked on a new venture this week.

On Thursday, March 17, she flew to Kingston, Jamaica, where she will establish a data processing education firm to be known as Jude, Gardner and Hinton, Ltd.

She expects to remain in Jamaica for two years.

During that time, her firm will develop customized seminars for executives with computer capability.

She envisions the courses will range from introductory to advanced computer science.

TO JAMAICA — Ms. Laura Jude Gardner, off to start a new business in Jamaica. See details in If You Ask Me.

MSU grad

Ms. Gardner majored in math at Morgan State University, where she was graduated in 1966.

For 14 years, she was employed in various engineering and instructional capacities with IBM offices in Baltimore and D.C.

She also taught computer science at Morgan U.

Gardner is the daughter of Mr. and Mrs. Geroge Jude (Vashti), of Baltimore. Her sister, Elise Jude Mason is the assistant city solicitor.

Hats off to Laura Jude Gardner.

And, good luck to her in her new venture in Jamaica. Please let this column know when you hear of, or observe, other people doing well.

We seek in this section to prove that people will take time to praise

Hats off!

Cuff note: Ms. Gardner, will retain her co-ownership of Gatsby's, the popular Charles St. gathering place.

The Delta Sigma Theta Sorority members — she is one of you.

About people

Mrs. Odessa Dyson, the Peace Corps executive secretary, is in Ghana on special assignment...reports she finds the West African country fascinating.

Jewell Marsan is in from South America and visited with an ailing daughter in California before returning home last week.

Mrs. Jerri Desbordes and her mother, Mrs. Myrtle Tyler Faithful, are home from Springfield, Ohio.

They were there for Sunday, March 13, funeral services for Mrs. Tyler's sister, Mrs. Viola Tyler Goings, 83.

Mrs. Faithful and Mrs. Goings were co-founders of Zeta Phi Beta Sorority, at Howard University on Jan. 16, 1920.

The death of Mrs. Goings leaves only two living co-founders, Mrs. Faithful and Mrs. Fannie Pettie Watts of Brooklyn.

who attended the founder's last rites were, Linda Brown, basileus; Catherine Neal, Mary Hurt and Etta Williams. Also there — Grand Basileus Edith Francis of N.J.

In addition to her sister, Mrs. Faithful, Mrs. Goings is survived by daughters, Winona Kidd and Kathryn Black; sons, Frederick Goings and Richard Goings, the mortician, at whose chapel rites were conducted.

Cheer to Dr. Ulysses G. Bourne, the veteran Frederick physician, who has been hospitalized again.

His wife, Yvonne, says he is expected to be released on Monday. Cards will reach him if addressed to 226 W. South St., Frederick, Maryland 21701.

Melvin Callaman, the Baltimore businessman, was back in Hopkins Hospital on Friday, is due for surgery on Monday.

It's a boy for Dr. and Mrs. Miles G. Harrison Jr., (Wanda).

Kyle Matthew weighed in at 6 lbs., 2 oz., at 1:38 at Sinai Hospital, on Saturday, March 12.

Happiest about it all is years old.

Baby is second grandchild for Mr. and Mrs. Miles G. Harrison Sr., (Bernardine), and for Mrs. Maggie Jones, and no. 6 great-grandchild for Mrs. Bernard Harris Sr., all of Baltimore.

More baby news: It's also a boy for Mr. and Mrs. Stuart O. Simms, (Candace Scott). Dad is administrative deputy to State's Attorney Kurt Schmoke.

Baby made his debut at Sinai at 2:24 p.m. on March 13, tipped the scales at 9 lbs, 2¼ oz., has been named Paul Allen Simms.

Bubbling over are grandparents, Mr. and Mrs. Ronald D. Scott (Elsie), and Mr. and Mrs. Clarence Simms (Louise), and the infant's older brother, six-year-old Marcus Scott Simms.

Cuff note: Baby's maternal great uncle, Perry Bradley, is former Cherry Hill principal, is doing fine after that recent quadruple heart bypass. Helios to him at 2512 Montcello Rd.

Surprise!

James Griffin, the physical therapist, got the surprise of his life on Saturday evening. His arrival at the Park Ave. home of sister, Katherine, and brother-in-law, Larry Blake. Present to yell "happy birthday" were kin and friends.

His wife, Cardrienne, aided in the surprise. Their daughters, Cheryl and Debra, came in from Va. State University to join in the fun. Also there, daughter, Jewell, Western High student; and son, Malcolm, who attends W. Baltimore Middle School.

His other sisters arranging the surprise were, Gladys Russell, Erceile Griffin and Elizabeth Fullwood and her husband, Moses.

Levi Watkins, Griffin's roommate at Johnson C. Smith U., came from Hyattsville; and Mrs. Griffin's sister, Dr. Julia Davidson and Al Lewis from Upper Marlboro.

Others about: Sandra Corporal, LaFera and Marcus Noel, Michelle Morton, Alton Russell, Robin Brown, Marie Berry, Rose Smith, Marion Patterson, Joy Carter, Joan Tunstall, Diane Scott, Mary and Thomas Justice, and Mary and Charles

And, Va. State University Students of their daughters, Joy Threatt, James Marshall, Ravenette Gilmore and Ernest Bazemore.

At Morgan U.

People doing nice things for others: The Saturday luncheon fashion show to benefit Morgan Christian Center attracted an appreciative crowd.

Guests were rewarded fashions, modeled by lovely ladies and handsome men from Pauline Brooks Boutique. Added attraction was display of elegant furs by James McQuay, the noted black furrier from N.Y.

He donated his time to help the worthy cause

IN MEMORIAM

BENNETT - In loving memory of my dear husband, GEORGE L. BENNETT, who passed away March 18, 1980:
We walked together you and I,
In sorrow and in joy;
We shared our pain and happiness,
With love without alloy,
And death shall never end our love,
For through the mist I see
Our glad reunion in the sky,
For all eternity.
Your Loving Wife,
MYRTICE E. BENNETT

HARCUM - In memory of my dear husband, IRVIN E. HARCUM, who passed away March 18, 1981:
I have lost my soul's companion
A life linked with my own!
And day by day I miss him more
As I walk through life alone.
Loving Wife, MARY M. HARCUM

JEFFERS - In memory of my dear wife and our mother, MERLE C. JEFFERS, who passed away March 19, 1981:
This world may change from year to year
And friends from day to day,
But never will the one we loved
From memory pass away.
DEVOTED HUSBAND and LOVING CHILDREN

WINLOCK - A tribute of love to the memory of RUTH H., who passed away March 18, 1981:
No one knows how much we miss you,
No one knows the bitter pain
We have suffered, since we lost you
Life has never been the same.
In our hearts your memory lingers
Sweetly, tender, fond and true;
There is not a day dear RUTH
That we do not think of you.
DEVOTED, LOVING FAMILY

WRIGHT - In memory of my dear friend, SUSIE WRIGHT, who passed away March 16, 1981:
The rolling stream of life rolls on,
But still the vacant chair
Recalls the love, the voice, the smile
Of the one who once sat there.
Devoted Friend
MARY M. HARCUM

CARDS OF THANKS

CARTER - The Family of the late CHARLES P. CARTER, wishes to express sincere gratitude to the many friends during the bereavement of our loved one.
Mother, CATHERINE CARTER
and FAMILY

BIRTHDAY TRIBUTES

JONES - A Birthday Tribute in loving memory of our loved one, FLORENCE WATERS JONES, on her birthday March 17, who passed away February 17, 1977:
We saw you fading like a flower,
But could not make you stay;
We nursed you with tender kindness
Until God called you away.
Oh FLORENCE, dear, we loved you
And our hearts ache for you still;
Forgotten by some others
But by us you never will
Daughter, SANDRA ROSS-NEAL
and FAMILY

18100 Frederick Pike
Gaithersburg, Maryland

The IBM Federal Systems Division's Defense and Space Systems organization has immediate openings for engineers and programmers in Gaithersburg, Maryland; Rosslyn, Virginia; and Houston, Texas.

The IBM/FSD Defense and Space Systems organization is responsible for the design and development of systems to support present and future needs of the U.S. Government in the areas of Space Vehicle and Strategic Command, Control and Communications (C³) space-borne and ground-based systems for the Space Shuttle program; air traffic control; and other specialized applications.

Positions are available for qualified individuals in performance and technical lead roles for the following skills:

Command and Control Systems Engineers

To develop national level command and control systems architecture including cost, performance, and nuclear survivability analysis. Five or more years of broad command and control systems experience in hardware, communications and facility system engineering in one or more of the following areas: survivable and enduring C³ systems; mobile facility definition including logistics; data processor-based C³ systems in fixed and mobile facilities; federated networks of information processing systems; data base file transfer/update systems for geographically dispersed systems; and surveillance and warning systems. (Openings in Gaithersburg, Rosslyn, and Houston.)

Communication Systems Engineers

To develop national level communications system architecture, including cost performance and survivability analysis. Extensive experience in hands-on design and development in one or more of the following areas: survivable and enduring military communications systems; use of satellites radios and common carrier landlines for special purpose networks; data transmission protocols and formats; communications technical control systems; COMSEC systems. (Openings in Gaithersburg, Rosslyn, and Houston.)

Integration and Test Engineers/Programmer/Analysts

Needed for system test assignments on satellite command and control programs. Requires experience in telemetry, message switching, command and control, navigation accuracy, test plan and procedure generation, and special hardware test and integration with large C³ systems commercial equipment and software systems. Responsibility includes conducting test engineering analysis of results and writing final test reports. (Openings in Gaithersburg and Houston.)

Applications Systems Engineers

Requires experience in performance of systems operational requirements analysis, conducting systems level trade-off studies, developing operational concepts, specifying military standard systems and overseeing systems design, development, integration, test and deployment of advanced state-of-the-art information handling systems. (Openings in Gaithersburg and Houston.)

Commercial DP Systems Engineers and Performance Analysts

Requires experience in configuration planning, installation and integration of large and intermediate computer hardware systems and C³ systems. Experience in workload forecasting performance analysis and sizing, and network architecture and analysis is desirable. Recent experience in planning and implementation of distributed local area networking systems is highly desirable. (Openings in Gaithersburg and Houston.)

Advanced Technology Software/Systems Engineers

Needed for consulting with development project personnel and performing advanced technology studies, prototyping and strategic planning. Professionals with experience in one or more of the following areas: Local area networking, software testing, operating systems, data base systems, high reliability systems, and display technologies. (Openings in Gaithersburg only.)

Systems Programmers

Requires experience in system configuration, generation, installation, and maintenance of IBM commercial software products under MVS, VM, and DNS on large and EDX intermediate systems used in a development environment. Experience required in planning and implementing systems performance measurement and tuning, and on-line data storage utilization. Positions also available for individuals with experience in systems communications programming for small system distributed processing utilizing the IBM Personal Computer. This position requires programming experience with assembly and Pascal languages and SNA and ASYNCH communication protocols. (Openings in Gaithersburg and Houston.)

Applications Programmers

Needed for real-time systems and applications programming on satellite command and control systems including telemetry, commanding, communications, and scientific navigational processing. IBM real-time systems experience desirable. (Openings in Gaithersburg and Houston.)

Quality Assurance Programmers and Engineers

Needed to assure high quality in our real-time systems, applications programs and subcontract hardware for various challenging programs. Requires experience in software or hardware development. Experience in quality assurance highly desirable. (Openings in Gaithersburg only.)

Hardware configurations include IBM 3031, 3032, 3033, 3083, 4341, Series 1, 3705, 3706 communications controllers, and 3350, 75/80 DASD.

Software environment includes MVS, TSO, VTAM, IMS, NCP, RACF, CMS, as well as EDX, VM, and VSI.

All positions require U.S. citizenship.

Excellent Benefits
IBM offers an excellent company paid benefits program including vacation, holidays, retirement, life insurance, tuition refund, medical and dental plans.

Visit or Write
If you possess experience in the above areas, please come to the Open House this Saturday at our Gaithersburg facility, located at the intersection of Montgomery Village Avenue (Rt. 124 East off I-270) and Frederick Pike (Rt. 355). If you are unable to attend, send your resume in confidence to IBM Corporation, Employment Programs, Dept. AA-315, 18100 Frederick Pike, Gaithersburg, Maryland 20879.
