Y'S POST-MASTECTOMY PROGRAM

NEED, a program which addresses the issues which concern many women who have had a mastectomy, will be offered this spring at Stony Run Friends Meeting at 5116 N. Charles St.

Classes meet on Thursdays for 10 weeks from 7 - 9 p.m. beginning April 21.

NEED is an acronym for program subjects — Nutrition, Education Exercise and Discussion.

It is co-sponsored by the American Cancer Society, YWCA, National Council of Jewish Women and Reach to Recovery of the Baltimore Metropolitan Area.

The program is free of charge and is designed to help women who have had a mastectomy through nutrition and diet education, execise and an opportunity to share feelings.

The control of weight, feelings of depression and isolation are some of the common problems for the post-mastectomy patient.

Health professionals lead the discussions and certified physical therapists have developed and lead the exercise component.

All women must be six-weeks past the date of surgery to participate in the NEED program.

The NEED program was developed by health professionals and the YWCA under a grant from the Johns Hopkins Oncology Center.
