NOTICE OF LETTING

Sealed bids or proposals, in duplicate, addressed to The Board of Estimates of the Mayor and City Council of Baltimore, and marked "Proposal for the Windows and Related Work for the Trustees Contract #3A for Hutzler Brothers Building Renovations, Office Building and Garage Renovation Contract", will be received at the office of the Comptroller, Room 204, City Hall, Baltimore, Maryland, until Wednesday, May 7, 1986 at 11:00 o'clock a.m., Day Light Savings Time (positively no bids received after 11:00 o'clock a.m.). At 12:00 o'clock noon on said date they will be publicly opened by the Board of Estimates in Room 215 in said City Hall. The bids shall be received by the Trustees for City Loan and Guarantee Program who shall make a recommendation to the Board of Estimates of the Mayor and City Council of Baltimore for final award.

The proposed Contract Documents, include general forms and condiitions, specifications and the Detailed Scope of Work, and may be examined, without charge, at the office of:

The Whiting-Turner Contracting Company
310 West Saratoga Street
Baltimore, Maryland 21201
Attn: Scott McMahon

Necessary copies of the Contract Documents may be obtained on payment of One Hundred Dollars ($100.00), for each copy, which payment shall be by check and will not be refunded. CASH WILL NOT ACCEPTED. Said check shall be made payable to the "Trustees for City Loan and Guarantee Program."

The proposed Contract Documents do refer to selected documents from Trustees Contract 3A, its Addenda #1 - #6. Trustees Contract 3A and its Addenda #1 - 6 may be examined, without charge at the office of the Whiting-Turner Contracting Company, at the address indicated above. The One Hundred Dollars ($100.00) charged for the proposed Contract Documents does not entitle a bidder to a copy of the Trustees Contract 3A its Addenda #1 - #6.

A certified check of the Bidder or a Bank Cashier's Check or a Bank Treasurer's Check drawn upon a solvent Clearing House Bank made payable to the Trustees for City Loan and Guarantee Program or Bid Bond executed on the form as provided in the Bid or Proposal, for an amount determined by multiplying the total Bid submitted by two percent (2%) and rounding the result to the next highest Five Hundred Dollars ($500.00), will be required with each Bid.

The successful bidder will be required to give a Performance Bond and a Payment Bond in the amounts called for in the specifications.

The Board of Estimates reserves the right to reject any and all Bids and/or to waive technical defects, if in its judgment, the interest of the Mayor and City Council of Baltimore or the Trustees of City Loan and Guarantee Program may so require.

Bids when filed, shall be irrevocable.

Attention of bidders is called to the fact that not less than the minimum salaries and wages as set forth in the Contract Documents must be paid on this project and the Contractor must ensure that the employees and applicants for employment are not discriminated against because of their race, creed, color, national origin, sex, or religion.

Under the Baltimore City Minority Business Enterprise Program the successful bidder must comply with the goal requirements to subcontract 15 to 25 percent of the tota contract to Minority Businesses.

All Contractors and Subcontractors desiring to bid on or subcontract for work for this Contract under the jurisdiction of the City of Baltimore and whose bid or contract amount will be $25,000 or more will be required to be prequalified for the work categories involved. This process is carried out by the Contractors Qualification Committee of the City of Baltimore, 1105 Municipal Building 200 North Holliday Street, Baltimore, Maryland 21202.

Baltimore City hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, Minority Business Enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

The Contract shall be awarded to the responsible bidder submitting the lowest bid (including acceptable alternates) determined to be in the best interest of the Trustees, the Board of Estimates, and the City of Baltimore. Every bidder is encouraged to bid the voluntary alternate(s). Any cost saving proposal that, in the opinion of the Trustees, does not materially alter the project may be proposed by any bidder. Each voluntary alternate will be evaluated by the Trustees with the Board of Estimates having the final authority to accept or reject each voluntary alternate. The bidder understands that the method of bidding reflecting the savings from acceptable voluntary alternate is for the purpose of arriving at the lowest cost for this particular project and, therefore, the bidder (to the maximum extent permitted by law) waives any right it might have to contest the award of the Contract due to the method of bidding voluntary alternates.

The work shall be executed in accordance with the specifications and drawings, and as directed by the Trustees for City Loan and Guarantee Program. The work to be done under this Contract consists of the Windows and Related Work for the renovation of the Hutzler Brothers Building, 223-30 North Howard Street, and of the garage serving it, at 307-17 West Mulberry Street, Baltimore, Maryland 21201.

PUBLIC NOTICE
INITIATION OF DESIGN ACTIVITIES
BRIDGE REPLACEMENT
CROMWELL BRIDGE ROAD OVER
GUNPOWDER FALLS

Baltimore County has initiated design activities for the proposed new bridge and necessary approach roadways to replace the existing Cromwell Bridge Road structure over Gunpowder Falls. The existing 60-year old structure has undergone extensive structural deterioration from repeated flooding and erosion of foundations. The remaining life of the existing structure is estimated to be five years based on an inspection conducted in October 1985.

The purpose of this notice is to announce the scheduling of a Design Public Hearing on Wednesday, May 21, 1986 in the auditorium of the Loch Raven Senior High School, 1212 Cowpens Avenue, Baltimore, Maryland. This meeting between representatives of the various County agencies involved, the County's consulting engineers, concerned citizens and representatives of local business and resident organizations, will start at 7:30 P.M. The public is invited to attend and will be given the opportunity to be heard. The intent of this meeting will be to present the design options that have been developed to date for replacing this bridge.

The design options are based on the alternate location selected for design and construction that was presented as Alternative 2 in the Draft Environmental Impact Statement (circulated March 1980) and at the June 11, 1980 Location Public Hearing. On the basis of public and agency comments, Alternative 2 was selected because it was the least expensive and the least environmentally damaging of the considered improvements. A Final Environmental Impact Statement documenting this choice was prepared and distributed in 1982. Copies of the Final Environmental Impact Statement are available for public inspection at the Baltimore County Bureau of Engineering, County Office Building, 111 W. Chesapeake Avenue, Towson, Maryland 21204.

The selected design alternative proposes construction of a new bridge over Gunpowder Falls in the proximity of the existing bridge. The new bridge will provide for two 15 foot lanes and a 5 foot sidewalk along the south side, between parapet walls. The bridge will be approximately 240' feet in length and approximately 7 feet higher than the existing bridge, to provide a waterway opening sufficient to pass the 100-year flood.

South of the new bridge, a new, larger intersection will be completed. The new intersection will accommodate free right turns for the Glen Arm Road to Cromwell Bridge Road traffic, and provide enhanced sight distance and wider pavement width for the remaining movements. The new intersection will be approximately 6 feet higher in elevation than the existing intersection.

Reconstruction of this intersection will require widening and regrading of a portion of existing Cromwell Bridge Road. Cub Hill Road will be widened and reconstructed from the structure over the tributary to Gunpowder Falls to the new intersection. Glen Arm Road will be widened from a point 250 feet north of Gunpowder Road to the proposed bridge. This will provide a connection from Cub Hill Road to Glen Arm Road that is above the level of the 100-year flood.

Written statements and other exhibits in lieu of, or in addition to, oral presentations at the hearing will be accepted at the Office of the Chief of the Bureau of Engineering at the above address for a period of thirty (30) days after the hearing.

RE: BALTIMORE METRO IMPACT STUDY

I. Notice is hereby given that a public hearing will be held by the Regional Planning Council at 2225 North Charles Street, Baltimore, Maryland, 21218 at 10:00 a.m. on Wednesday, June 4, 1986 for the purpose of considering the above project for which financial assistance is being sought from the Urban Mass Transportation Administration, pursuant to the Urban Mass Transportation Act of 1964, as amended, generally described as follows:

A. Description of Project:

(1) The Regional Planning Council, in cooperation with the Maryland Mass Transit Administration and city and county governments, proposes to conduct a study to identify and evaluate the impacts of rail transit service development in the Northwest corridor of the region. Changes in regional and Northwest corridor travel patterns, economic activity, development patterns and environmental conditions will be measured over the period preceding and following start up of METRO rail transit service there.

(2) The project will take place in the Baltimore metropolitan area.

(3) The project is estimated to cost a total of $291,000 of which $218,250 would be a Federal grant and $72,750 would be provided out of general and special State of Maryland monies and/or local government monies.

B. Relocation: No persons, families, or businesses will be displaced by this project.

C. Environment: The project will have no negative environmental impact upon the Baltimore metropolitan area.

D. Comprehensive Planning: This project is in conformance with comprehensive land use planning for the Baltimore metropolitan area. The project is currently being reviewed by various agencies under the aegis of the Department of State Planning's State Clearinghouse.

E. Elderly and Handicapped: This comprehensive study will consider the impact of METRO rail service on the mobility of the elderly and handicapped.

II. At the hearing, the Regional Planning Council will afford an opportunity for interested persons or agencies to be heard with respect to the social, economic, and environmental aspects of the project. Interested persons may submit orally or in writing evidence and recommendations to said project.

III. A copy of the application for a Federal grant for the proposed project is currently available for public inspection at the Offices of the Transportation Division of the Regional Planning Council, 2225 North Charles Street, Baltimore, Maryland 21218.
