KAPPAS HOST BLACK AND WHITE BALL

The Kappa Alpha Psi Fraternity, Columbia Alumni Chapter hosted their annual Black and White Ball, Saturday night at Turf Valley Country Club.

Guests started arriving at 9:30 p.m. to sip cocktails and fellowship with members and friends.

At 10 p.m. the fabulous Esquire Band and Show from Washington, D.C. started the music with a continuous flow until 2 a.m. They played music from the fifties to the present beat and seemingly, the beat captured the hearts of the older set tremendously.

The Kappas served a fantastic shrimp, deviled eggs, meatballs and all of the goodies that complimented the course. Guests continued to come back for seconds and how high the plates were piled--well calories so what--who worries when you are in the company of the Columbia Kappas.

Black and White were the colors to be worn by all, and they did. The ladies were well dressed in many styles that complimented their individual tastes.

Ottis Watts served as Chairman of the Black and White Ball and should be commended for a job well done. Congratulations also to his fine committee members who worked diligently to make the affair a success.

The Chapter's special guest of the evening was the lovely Mrs. Vivian Bailey, wife of recently deceased Columbia member, William Bailey. Other guests were: Eastern providence polemarch and member of the Baltimore chapter, Howard Tutman, Winfred Mundle, General Counsel for Eastern providence, from Washington, D.C. and Berlin Hollingsworth, Polemarch from Dover, DE.

Each year the Chapter gives awards to deserving members in three categories. This year Cyril Soden received the 'Brother of the Year Award in the field of medicine'; Alton Fleming was the recipient of the Award in the field of Government', and Thomas Briscoe "Bris" was the recipient of the chapter's 'Brother of the Year Award'.

The youngest brother of the chapter is Robert Sturdevant. He presented a beautiful bouquet of roses to Mrs. Doris Clanzy, wife of Columbia Chapter's polemarch Rufus Clanzy.

By the way Doris is the newly elected president to the Columbia Chapter of the Kappa Silhouettes Congratulations Doris. (cuff note: I hope your year will be a successful one.)

Remember, call for tickets to the 16th Annual Miss Talented Teen Maryland Pageant to take place Sunday, June 1, Marriott Inner Harbor Hotel, Pratt and Eutaw Streets, Baltimore, MD. It's going to be nice.

One of the judges for the pageant will be former lead dancer from the Broadway play "Dream Girls," Charles Bernard Murry, New York.

Special guest will be The National Executive Producer, Hal Jackson, President of Inner City Broadcasting Company, New York, and owner of seven radio stations. It will be a pleasure to welcome him to Maryland.

Call 730-8689 or 465-0123.

ment, car and current credit references. Upon getting married, she lost her credit rating because she took on her married name. She worked a full time job as well as her husband, and they put their money together in their bank account to pay the bills.

As time went on they purchased a home, a $13,000 car, and had two children. After being married for seven years, and following the divorce settlement, she ended up paying for the $13,000 car on her own and her husband paying only $15.00 per week per child for support. Her husband who made a salary of $30,000 or more refused to move out of the house, refused to pay child support payments on time and refused to communicate with her about making future plans for their two children.

The attorney she had did not make judgements in the best interest of his client.

Here in Baltimore City alone, there are thousands of women who have gone through unfavorable divorce situations, lost out on insurance benefits and have been forced to live with their children in a web of poverty.

Now, there is no excuse for women to be subjected to these types of circumstances. Beginning in July of this year, an independent insurance fund will be created for those women or men who are unable to pay the high cost of individual hospital insurance. Divorces that are being settled after July 1 can make some provisions in the divorce settlement for women who can't afford to pay their own hospital insurance to remain on their ex-spouse's insurance policy for a period up to 18 months. This also applies to widowers.

Women should always maintain their own credit. There is nothing wrong with having accounts with your husband as well as establishing your own. When you are in the beginning stages of going through your divorce make sure that you understand your divorce decree ... don't leave it to your attorney to make decisions for you. Be sure that your attorney has your best interest at heart.

If you have uneasy feelings about your attorney and you can't sit down and talk to him or her as a friend, then you should seek another one.

Lastly, don't become emotionally upset while you are trying to make firm decisions. If you let your emotions stand in your way, your decisions may not be sound and firm ones. They may be influenced by your mood at the time of the decision-making process.

Dare to be More.

We Need Your Help Now!

If you've driven through the city this winter and thought to yourself, "all this house needs is some paint" or "some flowers would really brighten up this block," you're not alone.

For over 50 years now, the AFRO-AMERICAN Newspaper has helped the residents of Baltimore keep their neighborhoods clean by purchasing flowers, seeds, paint and other supplies necessary for a clean living environment.

This paper has provided entertainment for the children and adults who work hard all summer, held "how to" meetings to answer the concerns of the neighborhoods and given cash awards for a job well done.

We haven't been able to do this alone. YOUR generous donations, throughout the years, has enabled us to carry out this mission.

Now, more than ever, we need your help. The cost of supplies has escalated and alot more people are joining.

Help us to help them by filling out a check for $5.00, $10.00 or $1,000 and mail it to the
