HYNSON - In loving memory of our loved one, **LEMUEL MAURICE HYNSON**, who passed away May 19, 1984:
Verily, Verily, I say unto you.

Fall into the ground and die.
It abideth alone; but if it die, it
bringeth fourth much fruit.

The purpose of this Plan is to develop a cost-effective and environmentally sound wastewater management system for the study area. Protection of the public health and the County's surface and groundwater resources is the major criteria.

The public meetings will be held at progressive stages of the planning process to obtain input for 1) description of existing conditions and problems, and future situations; 2) identification and evaluation of alternative wastewater management systems. The last meeting will be a public hearing to discuss the selected plan and its environmental impacts.

The second meeting will be held at 7:30 p.m. on Wednesday, June 25, 1986 in the auditorium of Chesapeake High School, 1801 Turkey Point Road, Baltimore, Maryland 21221.
