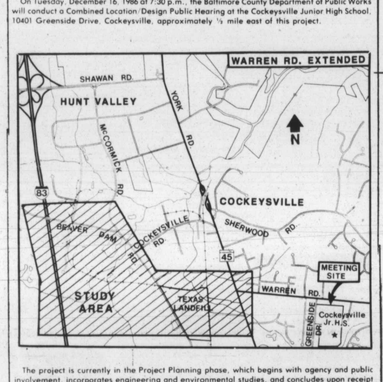
BALTIMORE COUNTY DEPARTMENT OF PUBLIC WORKS
BUREAU OF ENGINEERING

COMBINED LOCATION/DESIGN PUBLIC HEARING CONCERNING THE EXTENSION OF WARREN ROAD FROM YORK ROAD TO I-83 IN COCKEYSVILLE IN BALTIMORE COUNTY

On Tuesday, December 16, 1986 at 7:30 p.m., the Baltimore County Department of Public Works will conduct a Combined Location Design Public Hearing at the Cockeysville Junior High School, 10401 Greenside Drive, Cockeysville, approximately ½ mile east of this project.



The project is currently in the Project Planning phase, which begins with agency and public involvement, incorporates engineering and environmental studies, and concludes upon receipt of location and design approval. It has involved a review of all reasonable alternates (including the No-Build) and preparation of an environmental document. Selection of an alignment for final design will follow this hearing.

The purpose of this hearing is to acquaint the public with the results of our studies regarding the need for the proposed project and the preliminary engineering and environmental consequences on the alternates. Maps depicting the project alternates will be on display beginning at 7:00 p.m., and County and State representatives will be on hand to answer questions and discuss points of interest. A formal presentation of approximately thirty minutes will begin at 7:30 p.m. and will include information on right-of-way acquisition, relocation assistance programs, and Title VI of the Equal Opportunity Program. This presentation will be followed by receipt of comments from the public. Representatives of the Baltimore County Department of Public Works will be available to record your comments.

All interested persons are invited to attend this hearing and express their views regarding the proposed alternates, including the social, economic, and environmental effects. Brochures and forms for written comments will also be available at the meeting.

Individuals and representatives of organizations who desire to be heard, or who want to be placed on the project mailing list, may submit a request to Mr. Ellsworth N. Diver, P.E., Chief, Baltimore County Bureau of Engineering, County Office Building, Towson, Maryland 21204, no later than December 9, 1986. Others present at the hearing may also be heard by indicating their desire to speak at the registration table or at the conclusion of comments from registered speakers.

Beginning on November 14, 1986, the Draft Environmental Impact Statement describing the study will be available for inspection and copying Monday through Friday at the following locations:

CITY OF BALTIMORE
CONSULTANTS EVALUATION BOARD
PUBLIC NOTICE

The Baltimore City Consultants Evaluation Board has been requested by the Department of Public Works to certify the qualifications of firms to perform professional services for the following:

PROJECT No.439 REHABILITATION OF TWO (2) GUN POWDER BRIDGES OVER GROVES RUN AND GUN POWDER FALLS

The Bureau of Water and Waste Water is seeking the services of a consulting engineer to prepare a report and contract plans and specifications for the rehabilitation of two (2) Gun Powder Road Bridges over Groves Run and Gun Powder Falls respectively.

The consulting engineer's contract will be divided into two parts:

1. An inspection and report to define the exact scope of work and the estimated cost. Available to the consultant will be a copy of Bridge Appraisal and Inspection Report from the City's Bridge Inspection Program — 1984.
2. Preparation of contract plans and specifications.

The schedule for engineering services should include one (1) month for the inspection and report, two (2) months for contract plans and specifications.

It is the policy of the City of Baltimore that maximum opportunities be extended to Minority Owned Businesses to participate in the performance of Contracts under the City Procurement Program. The goal shall be that fifteen percent (15 percent) of the dollar amount of applicable Contracts for professional services acquired by the City be awarded of Minority Business Enterprises.

THIS POLICY ALSO APPLIES TO PROPOSALS SUBMITTED BY MINORITY AND FEMALE CONSULTANTS.

FIRMS WILL NOT BE CONSIDERED FOR A SPECIFIC PROJECT IF THEY APPLY AS BOTH A SUB-CONSULTANT AND A PRIME CONSULTANT.

Firms desiring to be considered for such professional services should address a "letter of interest" to: EXECUTIVE SECRETARY, CONSULTANTS EVALUATION BOARD, ROOM 306 MUNICIPAL BUILDING, BALTIMORE, MARYLAND 20202 (301) 396-3350.

Upon receipt of "letter of interest", each respondent will be sent an application questionnaire to be completed and submitted along with SEVEN COPIES (EIGHT IN ALL), for consideration. Out of State Corporations must submit the name of your Resident Corporate Agent with the application. Complete applications will be accepted by the Consultants Evaluation Board until the close of business on NOVEMBER 28, 1986.

CITY OF BALTIMORE
CONSULTANTS EVALUATION BOARD
PUBLIC NOTICE

The Baltimore City Consultants Evaluation Board has been requested by the Department of Public Works to certify the qualifications of firms to perform professional services for the following:

PROJECT #438/METHANE GAS BOOSTING FACILITY AND ROAD WORK FOR BACK RIVER PLANT

The Department of Public Works requires the services of an Engineering Consultant to perform design and post award services for the construction of improvements at the Back River Waste Water Treatment Plant. The improvement will upgrade the Plant in accordance with the Back River 201 Facility Plan.

The design services include: development of the design; preparation of the contract drawings and specifications and the construction cost estimates. The post award services include: review of shop drawings submitted by contractors; review of laboratory, shop and mill test reports of materials and equipment; review of proposed change orders; preparation of record drawings using the contract as a base; and preparation of an operation and maintenance manual. Services will be performed so as to interface with other consultants and City agencies.

The project will include facility for boosting methane gas pressure, road design and related site work at Back River Waste Water Treatment Plant, Baltimore, Maryland. Basic information about the methane gas generated and general plan will be available to the selected firm from the City. The consultant should demonstrate experience and capability for this type of project in the application. The anticipated construction cost is $150,000.00.

It is the policy of the City that maximum opportunity be extended to Minority and Women Owned Businesses to participate in the performance of Contracts under the City Procurement Program. The goal is that fifteen percent (15%) of the dollar amount of applicable contracts for professional services acquired by the City be awarded to Minority Business Enterprise, three percent (3%) of dollar amount of applicable contracts for professional services be awarded to Women Business Enterprise.

THE PROPOSED MINORITY AND WOMEN'S BUSINESS ENTERPRISE FIRM OR FIRMS MUST BE NAMED ON THE APPLICATION.

THIS POLICY ALSO APPLIES TO PROPOSALS SUBMITTED BY MINORITY AND FEMALE CONSULTANTS.

FIRMS WILL NOT BE CONSIDERED FOR A SPECIFIC PROJECT IF THEY APPLY AS BOTH A SUB-CONSULTANT AND A PRIME CONSULTANT.

Firms desiring to be considered for such professional services should address a "letter of interest" to: EXECUTIVE SECRETARY, CONSULTANTS EVALUATION BOARD, ROOM 306 MUNICIPAL BUILDING, BALTIMORE, MARYLAND 21202 (301) 396-3350.

Upon receipt of "letter of interest", each respondent will be sent an application questionnaire to be completed and submitted along with SEVEN COPIES (EIGHT IN ALL), for consideration. Out of State Corporations must submit the name of your Resident Corporate Agent with the application. Completed applications will be accepted by the Consultants Evaluation Board until the close of business on NOVEMBER 28, 1986.

GEORGE G. PERDIKAKIS, EXECUTIVE SECRETARY

PUBLIC NOTICE

Interested parties are hereby advised that the Department of Public Works of Baltimore County is planning to construct an at-grade railroad crossing in conjunction with the extension of Industry Lane from its present terminus near AAI Industries to relocated Beaver Dam Road, a distance of approximately 600 feet. This work is in conjunction with the proposed construction of Beaver Dam Road from Beaver Court to Padonia Road.

The construction of this project will be financed 80 percent by Federal aid funds and 20 percent by Baltimore County Capital Improvement funds.

The purpose of this notice is to determine the necessity of holding a public hearing by affording interested parties the opportunity to request a public hearing as provided by the Transportation Article Annotated Code of Maryland, Section 8-639, "Power of Secretary over Railroad Grade Crossings."

Written requests for the opportunity to be heard at a sub-sequent public hearing for this at-grade railroad crossing will be received by Mr. Ellsworth N. Diver, Chief, Bureau of Engineering, Baltimore County Office Building, 111 W. Chesapeake Avenue, Towson, Maryland 21204 until December 8, 1986.
