BEAUTY AND THE BUSINESS

By Bernette Jones
Rogers Beauty Supply Company

BLACK CLOUT . . . CHECK IT OUT!

"The Changing Ethnic HBA (Health and Beauty Aid) Category: Strategies For Prosperity" is the 1988 theme of the AHBAI (American Health and Beauty Aid Institute) annual mid year conference coming up June 26-30 at the Four Seasons Hotel and Resort Dallas Texas.

This event is the ethnic beauty industry's most important gathering as the 21 leading black owned manufacturing firms of ethnic hair products come together with raw material suppliers, distributors, retailers, cosmetologists and media representatives to focus on trends and set the direction for the industry's growth.

The ethnic beauty industry is one of the fastest growing in the nation and one of the few in the world in which blacks participate in the mainstream at every level.

With Black consumers expecting to continue spending billions each year on hair care, you can bet that companies who expect to be a part of "making the waves" bigger and more lasting will be in Dallas this year. Included in this year's seminar topics are subjects relevant to every class of trade in the country.

We are pleased to see the effort to focus on the needs of beauty and barber distributors as well as cosmetologists with **"Effective Inventory Control and Merchandising"** and **"The Role of the Cosmetologists in the Ethnic HBA Category"** as topics this year.

As well, **"Advertising to the Black Consumer"** and tons of newly released market research and statistical data will be covered in what is usually an intensive, high level experience.

George Johnson, Chairman of Johnson Products, Company, makers of **Bantu, Ultra Sheen**, and, the new line for men, **Ultra Star**, will be one of the key note speakers on "Current Trends Affecting the Ethnic HBA Category."

And . . . who else? . . . **Rev. Jesse Jackson**, Democratic Presidential hopeful is the invited speaker for the PAC luncheon.

Lafayette Jones, former Executive Director of AHBAI, largely responsible for the association's recent years of growth and success, will be on hand in his new role as Vice President and General Manager of **Supreme Beauty Products** the makers of **RAVEEN** and **DUKE.**

Supreme is owned by **John Johnson**, publisher of **Ebony** and **Jet** Magazines.

HOT STUFF . . .

Keep your eyes on this column for details about the **"Great Duke Out"** promotion sponsored by **Supreme Beauty Products** for the **Duke** men's hair care line. You could win free tickets to the **Tyson - Spinks** duke out in **Atlantic City** next month. WOW!

Our blessings and prosperity to **Shirley** and **Reggie** who are also in the process of moving their **Milford Mill** location to the **Brenbrook Plaza Shopping Center** in **Randallstown.**

"Casilda is very forward sighted to take our course in modeling because she recognizes how it will enhance her business' image and make her an effective role model for her customers.

Now Small Business Has A Big Brother.

If you need financial assistance, the Maryland Small Business Development Financing Authority (MSBDFA) is here to help. Under the first three programs listed below, we offer financial aid to socially or economically disadvantaged business persons in Maryland. The fourth is for all Maryland small businesses with government contracts.

The Four Ways We Can Help You

MSBDFA offers four excellent financing components to help your business.

1. Contract Financing Program
For eligible firms with government or public contracts: MSBDFA may guarantee a loan from a financial institution, guarantee equity, or provide a direct loan for use as working capital or for certain equipment needed to complete a contract on a project financed by a federal, state or local government or a Maryland public utility.

2. Long-Term Guaranty Program
For all eligible firms: MSBDFA may guarantee and pay an interest rate subsidy on a long-term loan made by a financial institution for use as working capital, for buying and installing machinery or equipment, and for making necessary improvements to real property owned by the applicant.

3. Equity Participation Investment Program
For all eligible firms: MSBDFA may invest up to 45% or $100,00 (whichever is less) of the equity needed for a franchise operation. MSBDFA requires its initial investment to be recovered within five years.

4. Surety Bond Guaranty Assistance Program
For all small businesses: This program helps the small contractor secure bonding by guaranteeing up to 90% of the losses that a surety company may incur in the event of a breach of a government contract.

A Better Economy For All Of Us

MSBDFA loans, guaranties and investments result in positive economic impact in terms of jobs retained, jobs created, and tax revenue generated.

Help Is Just A Phone Call Away

MSBDFA is among the most innovative state financing programs in the country. A unique opportunity. And it's only available in Maryland. If you think you qualify for our assistance, call us. Together, we can make your business a success.
