Now Small Business Has A Big Brother.

If you need financial assistance, the Maryland Small Business Development Financing Authority (MSBDFA) is here to help. Under the three programs listed below, we offer financial aid to socially or economically disadvantaged business persons in Maryland. The fourth is for all Maryland small businesses with government or public utility contracts.

For eligible firms with government or public contracts; MSBDFA may guarantee a loan from a financial institution, guarantee equity, or provide a direct loan for use as working capital or for certain equipment needed to complete a contract on a project financed by a federal, state or local government or a Maryland public utility.

2. Long-Term Guaranty Program

For all eligible firms: MSBDFA may guarantee and pay an interest subsidy on a long-term loan made by a financial institution for use as working capital, for buying and installing machinery or equipment, and for making necessary improvements to real property owned by the applicant.

3. Equity Participation Investment Program

For all eligible firms: MSBDFA may invest up to 45% or $100,000 (whichever is less) of the equity needed for a franchise operation. MSBDFA requires its initial investment to be recovered within five years.

4. Surety Bond Guaranty Assistance Program

For all small businesses: This program helps the small contractor secure bonding by guaranteeing up to 90% of the losses that a surety company may incur in the event of a breach of a contract, on a Project financed by a Federal, State or Local government or a Maryland public utility.

A Better Economy For All Of Us

MSBDFA loans, guaranties and investments result in positive economic impact in terms of jobs retained, jobs created, and tax revenue generated.

Help Is Just A Phone Call Away

MSBDFA is among the most innovative state financing programs in the country. A unique opportunity. And it's only available in Maryland. If you think you qualify for our assistance, call us. Together, we can make your business a success. For more information contact the Maryland Small Business Development Financing Authority.
