SAFETY & RELIABILITY

"We have a customer who was prescribed Tagamet® by his internist to treat ulcers. The customer had been previously prescribed Inderal® by his cardiologist to lower high blood pressure. The Profile system warned us that Tagamet® increases the effectiveness of Inderal.® This interaction could cause hypotension (low blood pressure), dizziness, bronchospasm or fainting. After contacting both doctors, they agreed to change the Tagamet® medication to Zantac.®"

Park Heights pastors pursuing the dream

By Evan Theresa E. Mercer
AFRO Church Correspondent

A Cry For Life was the plea Monday night March 27. Pastors in Unity for Park Heights held a prayer meeting at the Liberty Medical Centers Auditorium.

The subject of the matter was and still is 2 Chronicles 7:14:

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked way; then will I hear from heaven, and will heal their land."

Before Sister Janie Green of New Shiloh Baptist Church gave the prayer for workers, she talked about the Park Heights Vision.

Two years ago Rev. Eleanor Bryant-Graham had approached Sister Janie about her vision to resurrect Park Heights to the Glory of God.

"I had a dream of a better Park Heights," Rev. Graham told Sister Janie.

"At that time," stated Sister Janie, "I didn't think a better Park Heights would ever be possible," she let on, "today, I can see the vision."

Sister Janie began to pray a prayer for workers (laborers) that was heart wrenching. The desires of those gathered was clearly stated to God when Sis. Janie said, "I care, and I want to take back my community."

Park Heights was once one of our strongest communities. A community that now has been over taken with drugs, alcoholism, murder, robbery and all other types of social ills.

A community where today people of high morals continue to live, but where the unjust are trying to destroy.

A community where the churches, the concerned neighbors, caring workers, and helpful visitors are all coming together on one accord to resurrect the Park Heights area as never before, to the glory of God!!!

Elder Joseph Showell, Pastor of United Pentecostal Miracle Church expounded on 2 Chron. 7:14 calling for a change.

The focus was "change your walk and change your talk, It's not what you think of yourself, It's what God thinks of you!

"We won't become fearful, but faithful to the will of God." The call for courage came when Elder Showell told the people, "It's time for us to take action. It's time to stir up the gifts within us.

"It's time for a drastic, dramatic change in Park Heights. Stop talking about fear but look to the hills from whence cometh our help. In unity there is strength."

He went on to say, "Eyes have not seen, ears have not heard what God has in store for Park Heights. No weapon formed against us shall prosper."

"Greater is he that is in the word of God. City Hall has its hands full."

"If you don't do it, who's going to do it, Hearts fixed, minds fixed, a people determined to make a change. I claim Park Heights, in the name of Jesus."

Rev. Agnes Alston of Gillis Memorial Community Church under Rev. Theodore C. Jackson, Jr., Pastor, called for door to door witnessing to reach more souls for the Lord.

Elder McCray urged pastors to "stop turfing my people," when all people are God's people. Elder McCray stressed the oneness of the body. The
